

## TRANSFER STUDENT INFORMATION

All students who transfer from one middle or high school to another must be eligible to participate by South Carolina High School League (SCHSL) transfer rules before being allowed to compete. These rules can be found at [www.schsl.org](http://www.schsl.org). Choose from the menu bar the link that says SCHSL Handbook & Directory & Calendar. Next click on the link that says By-Laws. The information concerning transfers is under Article III – Student Eligibility Rules. Scroll down the pages to section 10 to review the rules. If you have questions please contact our athletic director, Mr. Gary Fulmer.

If a student is eligible under the transfer rules he/she must come to the athletic director's office to fill out the necessary paperwork that must be submitted to the SCHSL for approval. In addition the athletic director will also need the following:

- a copy of the student's birth certificate and a copy of their previous school's transcript on file in the athletic department to determine if the student is eligible academically and by age according to SCHSL rules
- Before a student may participate/tryout we need a physical exam on file dated April 1 or after of the current school year completed on the required SCHSL form along with a signed sport health form. These forms can be found on our website menu under our link entitled Athletic Forms. Choose Sports Participation Packet.
