Suzanne Reeve – Assistant Athletic Coordinator

Gina Tice – Athletic Administrative Assistant

Dear Parents,

The Katy ISD Athletic Department would like to thank you for taking the time to complete the UIL and Katy ISD required forms to participate in the athletic program. All student athletes in grades 7 through 12 are required to fill out and submit these forms online prior to each school year. **In order for the Physical/Medical History and Online Forms to be accepted for the 2017-2018 school year, they must be dated AFTER May 1, 2017.** Katy ISD and the UIL require the parent/legal guardian to complete the following electronic forms annually. Parents and students are required to read and submit the UIL forms as they pertain to them. The paperwork will be completed online to make the process more convenient for all families. The Katy ISD Student ID is needed to complete the Online Forms. If you do not have a Student ID or you have difficulty filling out the Online Forms, please contact our Athletic Trainers for help in the matter.

The link to the online paperwork is: <https://katyisd.rankonesport.com/>.

The only required form that cannot be completed electronically is the annual Physical/Medical History form. The student is required to use the **UIL Pre-participation/Physical Examination Form**. No other Physical/Medical History form is allowed. It is available for download on the website provided above. The physical/medical history must be completed by a parent and a physician. The physical and medical history should be turned into the Athletic Trainers at Cinco Ranch High School. It is the recommendation of Katy ISD Athletic Department that you make a copy of the physical for your files.

It is advised to complete the Electronic Forms by May 25, 2017 (evening when physicals are done at CRHS) so your coaches can contact you with important information about your upcoming athletic school year. We will also have physicals here on August 14, 2017. The information entered will be used by your Son/Daughter's coach for vital contact information involving their sport such as parent and/or player meetings. Please remember KISD does not allow students to participate in practices, tryouts, weight room activity, open gym, open field, or open court access after August 1, 2017 without the above being completed.

Sincerely,

Don Clayton

CRHS Athletic Coordinator
