

Socastee High School Athletic CORPORATE MEMBERSHIPS

The Socastee High School Athletic Association is a volunteer organization composed of parents, staff, community members and businesses dedicated to providing financial support and resources to all Socastee High School sports and athletes.

As the new school year fast approaches, the SHSAA is continually seeking ways to increase funds and provide the best possible atmosphere for our athletes. While Socastee students continually strive to excel academically, make responsible choices, and display good character, involvement in high school athletics continues to increase. Unfortunately only a small percentage of funds needed to operate our All-Sports Program are received from the Horry County School District. The SHSAA is continually looking for ways to raise funds for our athletic program to develop our athletes into productive and successful adults. It takes a dedicated community to make our program a success. Please consider becoming a SHSAA Business sponsor as you review your 2017-2018 budget. Our athletes appreciate your generosity and dedication to their future!
