

## What We're All About

Cane Bay High School Athletic Boosters was established in 2008 when the school opened. It is the mission of the Booster Club to support and encourage all athletic programs of CBHS. We provide financial support by hosting fundraising events, spirit merchandise and concessions sales, 50/50 raffles, corporate sponsorships and Booster Club memberships. We are a non-profit organization run by volunteer parents, grandparents and alumni just like you. All proceeds are used to supplement the athletic department budget for the needs of all sports programs. Join today and help continue the Cane Bay Cobra tradition of excellence in high school sports.

## Where does the money go?

- Athletic Scholarships for (1) female and (1) male qualifying athlete
- Sports equipment such as a telescoping end zone camera
- Uniforms for various sports
- Meal and travel expenses for lower state, state and national championships for athletes and coaches
- End of year awards for athletes
