Hello Copper King Sports Boosters,

It hardly seems possible that another year has passed, but with the fall sports season in full swing, winter can't be far away. It's also the time we ask you to renew your annual membership and hopefully interest new people into becoming members of the Calumet All Sports Booster Club. On behalf of the booster club board, I would like to thank those of you who continue to support all of our student-athletes in the CLK Schools through your membership contributions.

This past year we donated approximately \$32,000 to the athletic department at Calumet High School. Included in that amount were necessary uniforms and equipment, technology, coaching needs, as well as new athletic banners and a new scorer's table in the gymnasium. All money raised goes toward the direct support of our student-athletes. Our goal is to continue to enable all participants to reach their highest potential. The Calumet All Sports Booster Club is extremely proud to be a part of the great tradition of Calumet athletics for 34 years.

We have 3 levels of participation in the Calumet All Sports Booster Club:

- **Member** – Donations of \$25 or more
- **Blue and Grey Member** - Donations of \$50 or more, Blue and Grey members will additionally receive a 2015-16 Booster Club license plate.
- **Copper King Member** - Donations of \$100 or more.

Again, we sincerely thank you for your continued support of the student-athletes of the Public Schools of Calumet-Laurium-Keweenaw.

Sincerely,

*Todd Lightfoot*
