Discount will be reimbursed after verification of player's eligibility.

Players registered after March 8th will not receive a shirt until the league has enough late sign ups to offset the cost of additional shipping charges for uniforms. Shirts are not guaranteed for players registered after March 8th.

Players must register for the league that coincides with their age group. All exceptions must be approved by the League Board. Players requesting to be moved up a league, or stay down a league, must try out in the age group they are requesting to play in. The League Board will make decisions based on the ability of the player and in the best interest of the league. Players in the Boys Juniors/Girls Pee-ewe age ranges that request to move up to Boys Rookie/Girls Juniors will be responsible for the additional registration fees (\$10) associated with the higher levels, if the board approves the request.

Boys Sunday Showcase

In addition to the Rec League, there is also a Boys Sunday Showcase league for 8U, 10U, and 12U. Players must also play in the Rec League to be eligible. Participants in the Sunday Showcase League must try out and be selected for the teams. Players/families must be willing to travel for some Sunday games (typically double-headers starting 1:00pm or later) as well as participate in local practices during the week. Tryouts will be accomplished concurrently with Rec League evaluations. Players must attend tryouts to be considered for the Sunday Showcase teams. Fees for participation in this league will be \$60 (in addition to Rec League fees), to be collected upon being selected for a team. Please remember that it is possible for a player to not make a team as this is a more competitive environment. More information regarding the schedule will be available in April. Please note that this is a voluntary program which does not guarantee equal playing time for all players. There will be home games as well as travel games.
