The Centerville Schools Booster Club is a non-profit organization that is dedicated to supporting all of the athletic programs and athletes in the District. Our group works diligently to harness the volunteer efforts of every sport that it serves to raise funds that fill the gaps left by ever-increasing costs that each sport incurs, as well as the governmental cuts that every school is enduring these days.

WE NEED YOU!!!

- Join the booster club at one of the various levels.
- Support the fundraising efforts of the booster club and individual sports
- Volunteer at booster events

All of our revenue goes back to help our athletes in one way or another - travel, equipment, technology, etc. We are very proud of what we do, and you can help us continue providing support by joining us through formal membership. Please show your support by completing the membership form that is included. We look forward to you joining us!
