

# **Liberty Union - Thurston / "AAA" Facility Upgrades**

**"A 100 Year Community Project"**

**Please donate for the improvement of LU-T Academic, Athletic and Arts outside facilities!**

The high schools of Basil and Baltimore merged in 1917 to form Liberty Union High School. For the past 100 years a lot LU-T families have invested in our fantastic school district for the benefit of our children.

As a member of the *LU-T* Community, you have witnessed firsthand the excitement we have experienced with the land lab, successful athletic teams and great marching bands. Students and adults of all ages will be able to use the upgraded facilities year round with their investment into the facilities.

Physical education classes and the walking programs will be able to take advantage of the new 8 lane track. The *LU-T* Band will be able to hold successful competitions because of the new artificial turf on **ALUMNI FIELD**. All athletic teams will be able to compete on the artificial turf year round. Plus the opportunity to attract outside events and OHSAA tournaments with a stadium upgrade.

It is our hope we can utilize this pride and "CAN DO" attitude to support our children, schools and community with additional efforts.

It has been our community goal to raise privately. **\$750,000** towards the **ALUMNI FIELD** and other improvements at the *LU-T* Stadium. The response to our fund raising efforts has been tremendous and we are very grateful to the *LU-T* Community for its generous support and enthusiasm for this wonderful project.

Anyone who would like to make a donation and be a part of this exciting initiative, please complete the donor card below. Pledge amounts of all sizes are welcomed & appreciated! Additional info at [www.libertyunion.org](http://www.libertyunion.org)
