LANIER ATHLETIC DEPARTMENT MISSION

Our unified mission is to develop student-athletes who will perform successfully in the classroom and compete at the championship level in every sport in compliance with UIL and AISD rules. We will operate under an administrative structure managed in an open and supportive manner, supporting equitable opportunity for all students and staff, and committed to the highest standards of ethical conduct. The Lanier HS Athletic Department will follow three basic principles: to promote the well-being of student participants; to attain and maintain competitive excellence; and to support the overall goals of the Lanier HS community.

The goals of Lanier HS Athletics are to:

- Graduate every student-athlete who participates in athletics at Lanier HS ready for the demands of the 21st century in college or career
- Create an environment that fosters mutual respect, integrity, quality, and a commitment to excellence, through competitive sport programs that instill the lifelong values of teamwork, leadership, and sportsmanship
- Provide an environment conducive to positive growth and development of student-athletes and all Athletic Department staff
- Provide adequate financial support through private/community support within the department to ensure continuing development of each sport program
- Comply fully with all UIL and AISD regulations
