

## **KING SOOPERS GROCERY CARD FUNDRAISER**

We are selling re-loadable King Soopers gift cards!

**A-West Boys Basketball earns 5% of every dollar you spend at King Soopers using re-loadable gift cards**

**You earn 3% of that to help pay for player fees**

### Here's How It Works

1. When you purchase a card (\$25 value), we will note the card number and associate it with your family.
2. Each time you re-load (add value to) your card at the King Soopers checkout register or Customer Service desk, Kings will keep track of the amount you added to your card.
3. Each month we reach \$5,000 in re-loads, Kings will send a report of how much each card has been re-loaded for and will send us the 5% earned on those amounts. We will then split the 5% into 2% for A-West Boys Basketball and accumulate the other 3% for your player fee account.
4. When various player fees are due (see back page for details), we will let you know how much you have earned thru this fundraiser. You will only be responsible for the difference between the total team fee and the amount you have earned.
5. The 2% kept by Boys Basketball will be used to help pay for many needs the department has to improve the program and our players (see back page for details).

### The Fine Print

- Original \$25 re-loadable card is sold to you at face value
  - Re-load your card with up to \$500 at a time
  - Purchase multiple cards for your family members & friends (the cards will still be listed with your family name)
  - Remember, you can purchase gasoline at King Soopers & select Loaf N Jug stores
  - When re-loading them at Kings, you can use your credit card to do so, not just cash or check
  - Cards with a zero balance for 90 days will become invalid and you will need to purchase another one
- ★ When reloading at Customer Service, allow 5 minutes until your amount is recognized on the card
- ★ When reloading at the Register, do so prior to clerk ringing-up your groceries
