This document was created to set guidelines for communication between booster clubs and our high school program. It is meant to be a tool used to better relationships, clarify procedures and rules, and set the stage for a successful season. Parents, without your help we would not be able to provide quality activity programs for all ISD 728 students.

Thank you!

Purpose and Function of Booster Clubs

A booster club is defined as "an organization that is formed to **help support the efforts of a sports team or organization**. Support is shown in many ways, including volunteering time, raising money, and contributing funds to better enhance the team or organization's performance. "

Another definition is "**a booster club provides enthusiastic support of a team or organization.**" This type of support is much like emotional or psychological parental support, but is given in a collective manner. Booster clubs play a key role in supporting Rogers Activities in many ways, and we are very thankful for the positive contributions booster clubs provide to our programs.

Booster clubs may raise money by printing promotional items like team schedules, programs, and yearbooks. Booster clubs can financially support the program by providing additional funding for coaches, staff, and event workers. They can organize team events, such as pre- or post-game dinners or social events during the season. Booster clubs may perform, meet, or organize in any way, in accordance with the above stated definition, **that supports or 'boosts'** the program they are formed to support.

Other key points:

- It is inappropriate to approach a coach prior to or at the conclusion of a game or practice unless the meeting has been previously agreed upon.
- Playing time is determined solely by the coach; discussion should focus only on how your son or daughter can improve his or her skills as an athlete.
- Calls should be directed to a school phone only.
- If emotions rise to an unreasonable level during the meeting, it will be concluded immediately.

Booster clubs wishing to purchase athletic equipment for their teams must go through the head coach and the athletic department for approval. When equipment is purchased, from donated funds, it becomes the property of ISD 728.

After the head coach and/or activities director have approved an equipment request, the booster club can donate the funds to the athletic department, specifying its purpose.

If a booster club is funding a coaching position, the funds must be donated to the district prior to that coach receiving pay. All coaches must complete new hire paper work and follow ISD 728 and MSHSL guidelines as a coach (this includes volunteers).

The athletic department cannot give out the school district tax-exempt number.
