

Become a Member of the Pioneer High School Athletic Booster Club

GRAND CLUB

In order to maintain the finest high school athletic program in the state, the Grand Club has been designed. Join the club to assure that the traditions of excellence at Pioneer do not become just a memory in these times of financial instability.

The Grand Club is a fund established by families and friends of current, former, and upcoming student athletes to ensure the future of Pioneer athletics. A donation of \$100.00 is made each year for 10 years, totaling \$1,000 – **A Grand!**
(Please note: donors are not limited to \$100/year.)

At this time, approximately 52% of the current student body at Pioneer participates in an athletic program. Studies show that participation on sports teams is associated with higher grades and achievement. Sports programs help to improve discipline and study habits, as well as improve the sense of belonging to a group.

Upon receipt of your first payment, we will send an annual invoice reminding you of your commitment each year. These donations are tax deductible in the full amount.

When you join the club, you will also get a Memorial Brick to go on the "Walk of Fame." You have up to 2 lines, 20 letters per line (includes spaces).

This will confirm my intention to become a member of the Grand Club.
My check is enclosed for \$_____ made payable to the Ann Arbor Pioneer Booster Club.
Please bill me \$_____ monthly \$_____ annually.
