

## South Pointe Stallion Athletic Booster Club Meeting March 14, 2017

### New Business

- Bylaw question addresses . No need to change bylaws. Executive Board does not feel it needs to be amended at this time (copies of bylaws were then distributed among Meeting attendees).
- Nominations/Election of Stallion Athletic Booster Club Executive Board @ next Booster meeting. You MUST be in attendance to nominate or vote.
- Golf Ball Drop- some concerns about 5/26 week being a holiday (Memorial Day Weekend). Some concerns about a crane not being available. Suggestions from the floor included a fire truck from neighboring volunteer fire department.
- All Fall Banquets have been held/rescheduled.
- May 16, 2017- York County SC Sports Hall of Fame Banquet will be held \$25 per ticket. Booster Club has purchased a table.
- SPSHS Athletic Director has announced his retirement. This will be effective end of this current school year.
- Still no concrete decisions with Food Trucks 04/04- more info to come.

### Concession Report

- Concerns over lack of decisions over food trucks on 04/04
- USA Football Staffing not decided yet. Dates: 04/08-04/09
- Need Track concession assistance for the following dates: 03/21,03/28, and 03/30.
- Jeff will have dates for Top Gun at next meeting
- Emphasis again needs to be on improving communication between staff and volunteers. Events are being cancelled and volunteers are not being informed. This is causing unnecessary stress on all involved.

### Apparel Report

Kim Case was unable to attend meeting but provided printed report (this will be in separate attachment).

### Financial Report

Please Angie Cauthen for any end of season balances.

No final report for Stallion Stampede Auction at this meeting time.

### Athletic Director's Report

None given

Meeting adjourned. Next meeting Tuesday April 25, 2017 6:15PM

Meeting minutes respectfully submitted by Jennifer Norby-Secretary

## Apparel Report from Kim Case

South Pointe ABC Meeting Tuesday, March 14, 2017

I'm sorry I could not be here for the meeting. Any questions about my report can be answered by me.  
(Call me, FaceTime with me)

### Apparel Report

Have not turned money into Angie since the end of basketball season. I do have money for her.

### Recent Sales

We had decent sales during basketball season. A lot of personal orders. I helped the parents of softball and soccer get the attire that they needed.

### Stallion Logo

Concerned that people other than booster club are having apparel made and not trademarking the stallion head. What needs to be done there?

### Donations

We also need a form that organizations need to fill out requesting stallion merchandise. I would venture to guess that this is how we got in trouble with apparel before, not making any money. (That too much went out the door, in relation to giveaways, with no accountability.)

### In House Donations

Several apparel items were given to Coach before state championship (for pregame dinner) and then gave more away for a basket also. In all fairness if we cannot give it to every team then we need to look at how we need to do that.

### Future Sales and Purchases

Any suggestions are welcome. I had marketing student call all local screen printers for prices and B still most competitive, most items by a lot. So, we will stay with them. And my turn around time them is unparalleled.

### Trailer

Needs repaired. We've had much damage to apparel. AME has agreed to look at it. Is that ok will deliver it to them soon if ABC is agreeable.

Thank you
