

### **Mission Statement**

The mission of the Lady Tigers Basketball program is to compete like champions at the highest athletic level, engage in learning the proper rules and techniques of team basketball, develop the spiritual and mental strength of our members, be outstanding citizens on and off our school's campus, grow inwardly and outwardly through physical training and character development, and develop a family environment within our team and community.

### **Program Objectives**

The objectives of the Fishers Lady Tigers Basketball Program are that we will...

1. be positive active members of our school and community.
2. consistently work towards meeting our potential on the court, in the classroom, and in life.
3. build positive relationships with teammates, coaches, faculty, and administration at Fishers High School.
4. display the highest sense of class, honor, and integrity both towards ourselves and our opponents in victory and defeat.
5. with the proper perspective, balance our commitment to our faith, our family, our academic endeavors, and our team.
6. place the importance of team achievements above those of individual accomplishments.
7. utilize teamwork and leadership principles to achieve success on and off the court.
8. prepare, compete, and operate according to the rules established for us by the IHSAA and HSE School Corporation.
