WELCOME!

On behalf of the Kettering Board of Education and the staff and administration of Kettering Fairmont High School, I would like to welcome you to the James S. Trent Arena.

We are very proud of this facility, which serves as a first-class venue for high school athletic contests, as well as a unique venue for tournament games, community activities and sporting events.

We here in the Kettering City Schools are committed to good sportsmanship, and there is an expectation among all Kettering Fairmont Firebirds that we will be respectful in our actions toward our opponents, our teammates and our home and visiting fans. If you have questions or comments about the athletic programs in the Kettering City Schools, we would like to hear from you. Please feel free at any time to contact the superintendent’s office at 499-1439, or our athletic director, Chris Weaver, at 499-1640, with your questions or comments.

Good luck to the Kettering Fairmont Firebirds and to all the student athletes across our region. We look forward to a great season of exciting play from all of our talented student athletes.

Sincerely,

L. Scott Inskeep
Superintendent, Kettering City Schools.

THE BEST PARTY IN TOWN!
Greetings! On behalf of the Greater Western Ohio Conference I would like to welcome you to today’s event. The participants today have spent countless hours preparing for the season and are thrilled to have you in attendance. For many, it is your show of support that drives them to excel and wills them to compete. This is a year of change for the GWOC as we add new schools and new divisions. We welcome Stebbins and Tippecanoe to the GWOC. They are excellent additions that bring with them outstanding schools and community support. We are also excited for our new divisional setup. The East and West divisions will represent the National League while the North and South divisions will represent the American League. This new setup allows us to meet the needs of our membership and further solidifies the GWOC as a conference that continues to raise the bar for interscholastic athletics. The GWOC has become the tie that binds our communities and over the years our member schools have become an extended family. The genuine concern for all member schools shown by GWOC administrators, coaches, athletes, and fans is unparalleled. It is that show of support that differentiates us and makes being a member of the GWOC unique and special. Nothing compares to the experience of being a competitor, or fan, of the Greater Western Ohio Conference. There is an unmistakable sense of pride, and belonging, that we all feel as members of the GWOC family. While we recognize that competition can be fierce, we must continually strive to promote and encourage sportsmanship to the fullest degree in all of our athletic events. Proper conduct and respect for all are actions to be demonstrated before, during, and after all sporting events and activities. We ask for your support with this initiative by being a role model and positively supporting the event’s participants. Sportsmanship is everyone’s responsibility – please do your part. The student-athletes, coaches, and administrators of the GWOC thank you for your continued support. You play a vital role in the continued growth and success of the conference. Please visit the conference website at www.gwocsports.com for all conference related information and follow us on Twitter at @GWOC. I hope you enjoy your visit and the contest; looking forward to your return at a future GWOC event!

Sincerely,
Eric Spahr, Commissioner, GWOC

What People Are Saying About BFG

R. Fentress - Wilmington, OH  “I started with Matt prior to my retiring in 2003 with the sole intention of getting my finances in order for retirement. I have been well pleased with the results over the years and have confidence in Matt’s abilities as a financial advisor/manager.”

John & Dawn - Lakewood, CO  “Matt made our move to Colorado a huge success through his financial advice. We feel as though the level of service is still high quality even though we are across the country from his office!”

Louis & Carol - Centerville, OH  “We have been completely satisfied with the service and advice received so far. We believe that Matt cares about his clients and recommends what he believes to be in their best interests.”

Norman & Jeri - Dayton, OH  “On the advice of a friend, we transferred our investment and retirement accounts to The Bayer Financial Group, LLC in 2006. Over the years our relationship with Matt and his staff has grown and flourished. We consider Matt to be a trusted advisor that handles any need in a professional manner, and we whole heartedly recommend his organization.”

P. Monnig - Bellbrook, OH  “Matt is dedicated, honest and above all a friend I can trust. Matt does an excellent job at staying connected with his clients and makes them feel comfortable, not only with his recommendations but with everything he does.”

K. Jacob - Springboro, OH  “We began working with Matt in the fall of 2005. Since then he has demonstrated great insight and sound judgment in directing our investments. Making decisions in an unstable economy required diligent research and timely action. Matt has blended both of these expectations into an analytical and strategic approach, which for us has delivered results.”
