

Greetings from the Greenwood High School Athletic Booster Club!

The Booster Club is excited about the upcoming 2016 -2017 year. We are here to support all student athletes and coaches. As construction work to the sports complex is winding down, school spirit and excitement around the Eagle Nation is ramping up.

This year we are happy to announce that a full color souvenir program will be offered for each athletic season; fall, winter and spring. The programs will include team pictures of each sport for the particular season, as well as pictures of all senior athletes. The fall program will include boys and girls cross country, cheerleading, football, girls golf, boys and girls swimming, girls tennis and volleyball. Boys and girls basketball, cheerleading, dance and wrestling will be included in the winter souvenir program. The spring program will include baseball, boys golf, boys and girls soccer, softball, boys tennis and boys and girls track. These color souvenir programs will sell for \$10 each and make a wonderful keepsake for any athlete. Special thanks go to the cheerleaders for their help in selling ads for the programs. The fall athletic program will go on sale at the Homecoming Football game on October 7.

The baseball, softball and football fields are all sporting new scoreboards. These are possible due to the support of sponsors which pay for the entire cost of these first-class scoreboards. GHS is fortunate to receive this type of support from the Greenwood community. Let's show our appreciation by supporting these sponsors.

If you have been to a football game you have probably seen the banners of all senior athletes involved in fall sports. Senior athletes in all sports will have banners displayed during their season. Special thanks to photographer Karen Holubek for not only taking the pictures, but arranging sponsorships so that seniors will be able to keep their banner at the end of their season.

The Booster Club welcomes one and all. Members are encouraged to attend monthly meetings which are generally held on the second Monday of the month at 6 pm in the Press Box. Our next meeting is Monday, September 12. If you aren't a member, please view the 2016-2017 membership brochure on this website for more information. Feel free to contact me with any questions or suggestions.

Go Eagles!!
