

## 2016 Division I Academic Requirements

Initial-eligibility standards for NCAA Division I college-bound student-athletes are changing.

**College-bound student-athletes first enrolling at an NCAA Division I school on or after August 1, 2016, will need to meet the following academic rules to practice, compete and receive athletics scholarships during their first year.**

Full Qualifier	Academic Redshirt
<ul style="list-style-type: none"> <li>Complete 16 core courses:               <ul style="list-style-type: none"> <li>Ten of the 16 core courses must be completed before the seventh semester (senior year) of high school</li> <li>Seven of the 10 core courses must be in English, math, or science</li> </ul> </li> <li>Earn a core-course GPA of at least 2.300</li> <li>Earn the ACT/SAT score matching your core-course GPA on the Division I sliding scale (see back page)</li> <li>Graduate high school</li> </ul>	<ul style="list-style-type: none"> <li>Complete 16 core courses</li> <li>Earn a core-course GPA of at least 2.000</li> <li>Earn the ACT/SAT score matching your core-course GPA on the Division I sliding scale (see back page)</li> <li>Graduate high school</li> </ul>

**Full Qualifier:** College-bound student-athletes may practice, compete and receive athletics scholarship during their first year of enrollment at an NCAA Division I school.

**Academic Redshirt:** College-bound student-athletes may receive athletics scholarships during their first year of enrollment and may practice during their first regular academic term but may NOT compete during their first year of enrollment.

**Nonqualifier:** College-bound student-athletes cannot practice, receive athletics scholarships or compete during their first year of enrollment at an NCAA Division I school.

### After August 1, 2016

- A college-bound student-athlete completes nine core courses prior to the seventh semester of high school. However, he/she is an **academic redshirt** because only nine of the 10 required courses were completed before the seventh semester. He/she would be permitted to practice and receive scholarships, provided he/she presents 16 core courses and meets the minimum core-course GPA and test-score requirement at the time of graduation.
- A college-bound student-athlete completes 16 core courses in the required coursework with a 2.300 core-course GPA and a 79 sum ACT. The college-bound student-athlete is **full qualifier** under the new sliding scale because the minimum GPA requirement is 2.300 with an ACT sum score of at least 75.
- A college-bound student-athlete completes 15 core courses with a 2.500 core-course GPA and an 820 SAT score (critical reading and math). The college-bound student-athlete is a **nonqualifier** because only 15 core courses were completed, not the required 16 core courses.

**Test Scores**

When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 so your scores are sent directly to the NCAA Eligibility Center from the testing agency. Test scores on transcripts will not be used in your academic certification.

A combined SAT score is calculated by adding reading and math subscores. An ACT sum score is calculated by adding English, math, reading and science subscores. You may take the SAT or ACT an unlimited number of times before you enroll full time in college. If you take either test more than once, the best sub score from different tests are used to meet initial eligibility requirements.

If you take the current SAT before March 2016 and then take the redesigned SAT at a later date, the NCAA Eligibility Center will not combine section scores from the current and redesigned SAT when determining your initial eligibility. The NCAA Eligibility Center will only combine section scores from the same version of the test. Because the redesigned SAT varies in design and measures different academic concepts than the current SAT, a numerical score on the current test may not be equivalent to the same numerical score on the redesigned test.
