Why do I need to be a member of the CHS Athletic Booster Club?

The Reason

The CHS Athletic Booster Club strives to touch the lives of Clinton High School and Clinton Middle School student-athletes, the school and the Clinton community. All funds raised during the year are used to help support areas of the athletic program such as the weight room, training room, team shirts, transportation, athletic banquets, and accessories to enhance each program. The booster club supports thirty-two athletic teams; seventeen boys and fifteen girls, including both the middle and high school levels. We look forward to seeing everybody and working together to enhance all of our student athletes and programs!

If we can increase our membership, we can increase the money the booster club raises. This in turn will give more money for all of our student athletes at both schools.
