Dear Tiger Supporter:

The 2016-2017 school year is drawing closer every day, and with that, the upcoming athletic seasons for all our Belton Tiger athletes is right around the corner. If you are receiving this letter, it means that you have been a supporter of Belton Athletics in the past and your support has been greatly appreciated. Those contributions go towards each of the following:

- Each Varsity sport gets a check for **\$1,000**.
- Four **\$1,000** Athletic Scholarships given to the Beef Foundation from our Booster Club (two boys and two girls).
- Banquets paid for all Varsity athletes, coaches and special guests of each sport.
- Requests from sports for special items not included in their budget.

Along with the annual Membership Drive, and under the guidance of our Athletic Director Michael Morgan, The Belton Tiger Athletic Booster Club has several other new and exciting ways to raise money for our student athletes.

- **Meet the Tigers Night**, Wednesday, August 23rd from 6-10 pm. We encourage each of you to come meet our new Tigers and eat pulled pork sandwiches (cooked by the Pit Masters of the Booster Board)! Each plate will be \$7.50, and all proceeds will go towards the general fund of the Booster Club.
- This year the Booster Club will be in charge of all T-shirts and apparel.
- **Integrity's Gift**. We are very excited to have this program. It is a way for local businesses to contribute to the Booster Club, with no cost to them, by simply changing their credit card processing provider. The Booster Club gets 35% of Integrity's profit in the form of a monthly check.
- The Booster Club will be hosting a reverse raffle this year. The date will be decided upon soon!

The Belton Tiger Athletic Booster Club is very excited about the upcoming year. I can assure you that we are working hard to maintain our past success and keep things growing for the future of Belton Tiger Athletics. We encourage you to keep supporting our programs and student athletes.

Go Tigers,
Ronnie Schoepf
2016-2017 Board President
