February 9, 2017

Dear Potential Sponsor,

The Newark High School Athletic Booster Club is actively seeking corporate sponsors for the 2017 Spring Sports Season that will kick off March 1st. We are offering the opportunity to advertise your business to our community and visitors while providing needed support to our school athletic programs.

With the support of local businesses, like yours, our booster club has raised an average of \$80,000 per year over the past five years. Our primary focus with funds raised has been transportation expenses in the past. However, the booster club would like to expand its focus to much needed athletic equipment. We have high hopes for another great year of fundraising. Our goal is to raise \$110,000. If we are to reach that goal, some of the items on our wish list that we could purchase includes: a track high jump pit cover, a single man sled for football, weights for our weight room, the renovation of the Evan's Athletic Facility weight room and the Wall of Fame Touch Screen Monitor that will be located in the entrances of both gyms.

We are looking forward to a great year for our students at Newark High School in 2017. The Booster Club appreciates all of the efforts of the parents, staff, coaches, and the community to help our students be successful. Please consider becoming a part of this partnership through corporate sponsorship. Together we can make a positive difference in the lives of our students while promoting your company.

Spring Sports Season - \$300.00 – Baseball – Joe Neff Field / Softball and Tennis – NHS  
Track – Evans Athletic Facility

---

You will be a hole sponsor at our annual golf outing for no additional cost, and your company name on our poster with a portrait of all teams for that particular season. Your companies name will be displayed at all booster club events, for example, the Fish Fry, Spring Men's Stag and Ladies Stag.  
Thank you for your time.

Jeff Quackenbush
