

**Florence High School Golf
Conduct and Training Rules/Student Contract**

- 1. All** district policies for student/athletes will be followed. These can be found in the student handbook.
- 2. Missed Practice:** A missed practice due to school functions or extenuating circumstances can only be excused by the coaches. Whenever possible, the player should notify the coaches before a missed practice. If a player misses practice, and is not excused, the player will not participate in the next meet they have qualified for. If a player accumulates **3** unexcused absences, they will be dropped from the team.
- 3. Disrespectful Behavior:** Any player doing damage to the course or shows any other type of disrespect to the course and facilities, or to other players and coaches, will result in suspension from team activities, including practice and tournament play. Any incidents will be dealt with by the coaches. Depending on the severity of the infraction, the coaches, athletic director and FHS administration will determine the level of disciplinary action an individual will be placed on.
Level One = 3 day / 1 tournament suspension Level Two = 5 day / 2 tournament suspension
Level Three = dropped from the team
- 4. Attendance and Citizenship:** Academics are the primary concern of this school. Attendance in all classes is highly encouraged. If a student is absent from **3** or more classes, they may not participate in practice or meet for that day. If a student is found to be **truant** for any part of a school day, they may not participate in practice and will not participate in the next scheduled meet they have qualified for.
Citizenship, both in and out of class is considered by CHSAA and this school to be an essential quality in an athlete. Lack of citizenship as interpreted by the coaches and administration could result in suspension from the team.
- 5. If I decide to quit** the team I know the decision is final. If a Coach makes a decision as far as my standing with the team, the decision is final.
- 6. All players** must have proof of a physical and insurance, a signed contract, parent warning contract and emergency card, turned in by the first day of practice to be eligible to participate. The Athletic Director will issue each athlete a clearance card for eligibility.
- 7. Players must have** attended a set number of practices in order to be eligible for a meet.
- 8. Players must wear** appropriate clothing to practice. Appropriate shirt, non-cut off shorts or long pants, tennis shoes or golf shoes are recommended. Sandals are not allowed. For tournament play, players will wear the school team uniform and shirts must be tucked in at all times.
- 9. Every effort will be made** by the coaching staff to fairly evaluate each player's abilities and place the player on the appropriate skilled team. I understand that being placed on a developmental team may not ensure participation in sanctioned tournament play.

I have read and understood the **Florence High School Golf Conduct and Training Rules, FHS Student Handbook Guidelines on Athletic Participation and Golf Team Etiquette Guidelines** and agree to abide by them. This must be signed and returned to the coaches to be eligible to participate.
