

Half Moon Bay High School Boosters Athletics Corporation (BAC)

The Half Moon Bay Boosters Athletics Corp (BAC) is a nonprofit organization dedicated to supporting athletics at Half Moon Bay High School through volunteerism, community involvement, and fund raising efforts. All BAC proceeds go directly to funding sports programs, equipment purchases, and facility improvements at HMBHS for the continuing development of competitive teams, academically successful student athletes, and the promotion of school and community spirit.

Through donation drives, snack bar, merchandise, gate fees, Black & Orange Ball, Pumpkin Festival, Casino Night, and other fund raising efforts, Cougar Boosters has been able to contribute an average of more than \$300,000 annually in equipment, uniforms and services to all of the High School's athletic teams. Our role continues to expand to help maintain and improve the strong sports tradition at HMBHS.

Additionally, BAC funds 50% of the Athletic Trainer program, contributing to the health and safety of our high school athletes during conditioning, practices and games, supporting 530 athletes competing in 21 different sports. The school district very nicely funds the other 50%, allowing for the Athletic Trainer to maintain a full-time position. This is a very important role supporting all athletes and students, and we continue to need your support.

Why Should I Contribute?

- **It helps the school and students.** A healthy athletic program contributes greatly to a positive high school atmosphere. Your donation helps support every sports team at HMBHS.
- **It helps you.** You receive free admission to all home games for every sport, plus a potential tax deduction.

HMBHS Boosters Needs You

Cougar Boosters is a volunteer-driven organization. If there are areas where you can contribute, please let us know:
