

Midland High School Athletic Booster Club

Charter and Activities

The Midland High School Athletic Booster Club (MHS ABC) is dedicated to the voluntary support of athletes and their activities that comprise the Midland High School Athletic Program. MHS ABC believes that these activities contribute greatly to the development of good character in young citizens of the community and build pride and enthusiasm in the community at large.

Toward that end the MHS ABC will, in close cooperation with the Midland High School Athletic Department, organize to engage in various activities designed to enhance the environment and quality of athletic participation and community publicity and enjoyment. MHS ABC will encourage and solicit membership from all quarters regardless of sex, race, ethnic, or religious background.

MHS ABC will conduct fund raising activities to provide financial support for its projects. These may include, but are not limited to, sports programs, advertising and sales, memberships, solicitations, and other projects.

MHS ABC objectives are:

- To build an enthusiastic and energetic membership from within the Midland Community.
- Provide a forum for dialog among stakeholders.
- Cooperate with like organizations in Midland and other communities in joint programs.
- Provide recognition for outstanding achievement.
- Support activities deemed beneficial to the quality, safety and educational benefits of the athletic program.

MHS ABC will sponsor effort and funding toward, but not limited to, the following projects:

- In cooperation with Midland Public Schools purchase selected items for our athletic program.
- Provide supplemental funding to help athletes to attend team camps.
- Provide funding for limited scholarship award(s) to athlete(s) who demonstrate unique character and abilities. – 2 - \$1000 and 2-\$500 each year.
