Again the Broadneck Craft Bazaar was a success! Sports teams provided ample set-up help but we need to make sure to have a clean-up crew as well. The 3 piece band enhanced the atmosphere. Considerations for next year: uniform booth sizes, room volunteers to oversee crafters and lend support, and a new co-chair will be needed!

Rusty Yeiser, Bill Smith and Rich Lange are collaborating and exploring the definition regarding the access to the light maintenance, still considering building out rather than up, and the expansion of press box versus field house.

The Boosters were notified via email of tonight's membership vote regarding Booster Scholarship Criteria.

Booster Scholarship:

Boosters provide a \$1000 scholarship for one male and one female senior athlete. Criteria were discussed and a motion was raised for the membership to consider modifying the eligibility requirements for this year. The motion passed to make booster membership criteria for scholarship recipients by a vote of 6 to 5. A committee will be formed to overview the whole process and to perhaps upgrade the number of scholarships offered.

Meeting was adjourned at 8:11 pm. Next meeting is scheduled for January 19, 2011.
