MARYLAND STATE BOARD OF EDUCATION
Subtitle 06 SUPPORTING PROGRAMS

Chapter 03 Interscholastic Athletics in the State

Authority: Education Article, §§2-205 and 2-303(k),
Annotated Code of Maryland

.01 Authorization

- A.** The following regulations have been established by the State Superintendent of Schools to govern the athletic program for all high school students in Maryland public secondary schools which are members of the Maryland Public Secondary Schools Athletic Association (MPSSAA).
- B.** Local school systems may adopt rules governing their athletic programs that are more restrictive than those of the MPSSAA. Less restrictive rules may not be adopted.

.02 Eligibility

Student eligibility for participation in interscholastic athletics at the high school level shall be based on the following criteria:

- A.** Students shall be officially registered and attending the member MPSSAA school they are authorized to attend under regulations of the local school system. They may represent only the school in which they are registered and at which it is anticipated they will complete their graduation requirements.
- B.** Each local school system shall establish standards of participation which assure that students involved in interscholastic athletics are making satisfactory progress toward graduation.
- C.** Students who are 19 years old or older as of August 31 are ineligible to participate in interscholastic athletics.
- D.** Students in grades 9, 10, 11, and 12 may participate in interscholastic athletic contests for a maximum of four seasons in any one sport.
- E.** Middle, intermediate, or junior high school students are not eligible to compete or practice with high school teams. However, ninth grade public school students who reside in the attendance area of a high school organized grades 10–12 may participate in the interscholastic athletic program of that high school.
- F.** Students shall maintain amateur status as defined by Regulation .10 of this chapter.
- G.** Students, while participating on a school team, are permitted to participate on sports teams outside of school during the high school sport's season. This participation shall meet the following criteria:
 - (1)** The outside participation may not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior written approval has been obtained from the school principal and coach;
 - (2)** Students who elect to participate on an outside team and do not participate and practice with the school team throughout the designated sport's season are ineligible to represent the school in all contests that determine a county, district, regional, or State championship during that sport season.
- H.** Students shall present to their high school principal a certificate of permission to participate signed by their parent(s) or guardian(s).
- I.** Students shall be examined and certified to the high school principal as being physically fit to participate in any try-out, practice, or contest of a school team. The examination shall be performed by a licensed physician, certified physician assistant under the supervision of a licensed physician, or certified nurse practitioner.

- J. Students legally transferred to another school may participate. “Legally transferred” means a change of residence or a transfer from one school to another by action approved by the local superintendent of schools.
- K. Graduates.
 - (1) Graduates of high schools are not eligible to practice with or participate on interscholastic sports teams. However, they may participate in the remaining athletic contests of that semester.
 - (2) Students are considered graduates when they have completed the work required for graduation and are declared graduates by the local board of education.

RULES AND INTERPRETATIONS

OUTSIDE PARTICIPATION

.02G(1) “The outside participation shall not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior approval has been obtained from the school principal and coach;”

Interpretation: Any factor of a non-school athletic activity that causes a student to miss any portion of a school practice or contest constitutes a conflict.

This would include but is not limited to:

1. Practice
2. Competition
3. Tryouts/qualifying
4. Travel to and from
5. Registration
6. Awards ceremony
7. Etc.

Note: It is expected that high school teams conduct practice for all members or engage in competition every day school is in session during the sports season.

MAXIMUM NUMBER OF CONTESTS PERMITTED DURING A SPORTS SEASON

.03B

Interpretation: The seasonal limitations for each sport refer to one varsity team as well as to any under-squad teams. A school may field only one team that can be classified as “varsity”. The nomenclature of any under-squad, i.e., varsity “B”, junior varsity, freshman, novice, etc., must so designate its non-varsity status. Accordingly, any requirements or qualifying standards to state tournaments can only be satisfied through *varsity competition*.

Interpretation: Events that require out of state travel beyond 300 miles may not involve any loss of school time.

OFFICIALS

Officials for MPSSAA-sponsored athletic contests, both regular and postseason, are to be certified and registered with the MPSSAA office. The MPSSAA coordinator of officials will facilitate this process with all local officials' boards. Registration and certification requirements are as follows:

1. Be at least 18 years of age and a high school graduate.
2. Be a member in good standing with a local MPSSAA-recognized officials' group.

Rules Interpretation Clinics

An assigned interpreter will conduct annual rules interpretation clinics for local boards of officials in each sport prior to the opening of each season. Dates, time, and location of all clinics will be published on the officials page of MPSSAA.org.

Officials are required to attend a clinic as part of the certification process. Coaches are encouraged to attend.

MPSSAA 24-year Semifinal Seeding Cycle

The MPSSAA Executive Council approved establishing a 24-year semifinal seeding cycle based on the 2013-14 pairings as established at the April 26, 2013 Board of Control meeting. The pairings below ensure over any four-year cycle each region will be seeded one through four once, each region will play the other regions four times during a 12-year cycle and semifinal pairings and seeds will not be repeated in consecutive years. While rescheduling so far into the future is at best speculative, the cycle below provides direction into the foreseeable future. The 2015-16 academic year will be the third year of the cycle.
