### **IT’S A GREAT TIME TO GO TO CAMP!**

I am very excited about what the future holds for the Lovejoy Volleyball Program. I am also extremely excited about this year’s summer camps and what our staff will bring to the kids of **Lovejoy ISD**. The goal of these camps is not only to reach out to future Leopards but to all kids that have a desire to improve their volleyball skills. I have put together a fantastic group of coaches with a lot of volleyball knowledge, but more importantly they have lots of energy. It is my goal to make this camp a must for not only future Leopards, but for each and every volleyball player in the area. Our camps are designed to assist athletes of all levels in improving their skills and finding the enjoyment and excitement the sport of volleyball brings.
