

## Pay to Participate Registration 2016-2017 School Year

Vandalia-Butler City Schools offers world-class academics and extracurricular for students. Pay-to-participate fees assist in offsetting the costs of these extracurricular programs.

An extracurricular activity is any activity that meets before or after school and is not directly linked to the school curriculum.

### Special Items of Note

Additional fees may be associated with an activity. Check with the advisor or coach regarding these additional costs.

The extent of participation is not determined by payment of the fee. Payment of the fee does not secure a particular role in the extra-curricular activity.
