BRONZE

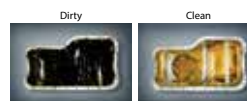

COVERAGE UP TO \$500
FIRST SERVICE
120,001KM - 160,000KM

We are so confident that our fluid maintenance services will keep your vehicle healthy, that we guarantee it for Life!

Supreme Oil Service

This service is accompanied by an oil change. The engine is chemically cleaned using a gentle detergent. This removes harmful sludge and varnish deposits with old oil. A chemical treatment is added to give extra protection to the engine.

Fuel System Service

This service completely cleans the entire gasoline fuel system by chemically cleaning valves, injectors, combustion chamber, fuel lines, and throttle plate. Restores the fuel system to 'like new' operation for Maximum Performance.

Brake Fluid Service

This service consists of flushing out all old contaminated brake fluid from the entire system, simultaneously replacing it with Wynn's HD Brake Fluid to ensure proper brake system operation.

Power Steering Service

This service chemically cleans the entire power steering system, changes ALL the old power steering fluid, and the new fluid has an additive pack to ensure maximum protection and smooth steering.

Coolant System Service

This service chemically cleans the entire cooling system, changes ALL the coolant, and the new coolant is treated to give it maximum protection over the life of the fluid. Ensures proper cooling system function.

Differential Service

This service consists of draining all the old fluid from the Differential. It is then replaced with fresh Wynn's Synthetic Gear Oil with a protection package for better anti-friction and wear.

Transfer Case Service

This service consists of draining all the old fluid from the Transfer Case. It is then replaced with fresh Wynn's Synthetic Transfer Case Fluid with a protection package for better anti-friction and wear.

Maintenance 1

Inspect

- Air filter*(S2)

- Battery fluid level

- Brake linings, drums, pads, discs*(S1)

- Clutch, CVT & automatic transmission fluid levels

- Condition of exhaust system & mountings

- Coolant fluid level & radiator hoses*(S5)

- Dust covers & drive shaft boots

- Fluid levels, condition of brake lines, cables & hoses

- Horn, wipers & all exterior lights

- Lubricate locks, latches & hinges

- Power steering fluid level

- Steering components

- Suspension components

- Tire condition & pressure

- Transfer case leaks

- Front & rear differential leaks

- Propeller shaft

- Top up windshield washer fluid

Adjust

- Drive belts & Inspect Condition

Replace

- Engine oil & filter (extra for Mobil1)

Rotate

- Tires

Road test vehicle

From: \$89.95

Mobil 1 From: \$119.95

For full warranty coverage, Nissan recommends 2017 & up 0W20 Nissan Motor Oil on most vehicles (OIL EXTRA CHARGE)

Maintenance 2

Inspect

- Air filter*(S2)

- Hand held battery test

- Brake linings, drums, pads, discs*(S1)

- Brake rotor inspection

- Clutch, CVT & automatic transmission fluid levels

- Condition of exhaust system & mountings

- Coolant fluid level & radiator hoses*(S5)

- Dust covers & drive shaft boots

- Fluid levels, condition of brake lines, cables & hoses

- Horn, wipers & all exterior lights

- Lubricate locks, latches & hinges

- Power steering fluid level

- Check all steering & suspension

- Tire condition & pressure

- Transfer case leaks

- Seasonal A/C inspection

- Front & rear differential leaks

- Propeller shaft

- Inspect & top up all fluids

Adjust

- Drive belts & Inspect Condition

Replace

- Engine oil & filter (extra for Mobil1)

Rotate

- Tires

Plus Inspect

- Check coolant level & strength

- Spark plug condition (except platinum plugs)*(S3)

- All fuel lines & brake lines

Perform

- Oil change & tire rotation

- 4 wheel brake service (take brakes apart, completely inspect, clean, lube all brake components & take measurements)

- Road test

- Pre check alignment

From: \$288.95

Mobil 1 From: \$329.95

To maintain Brake pads for life warranty, brake service maintenance needs to be completed annually or every 24,000km

For full warranty coverage, Nissan recommends 2017 & up 0W20 Nissan Motor Oil on most vehicles (OIL EXTRA CHARGE)
