

Transform Your Next Event. Make it Artful at Loose Cannon Gallery

Loose Cannon Gallery is your destination for good art and great events. From vibrant city-wide celebrations to intimate private gatherings, Loose Cannon Gallery is known for transforming the moment into a lasting impression. So whether your next event is quiet, loud or somewhere in between, make it artful at Loose Cannon Gallery.

Renovated from a turn-of-the-century warehouse space into an urbane art gallery located in Chattanooga's burgeoning Southside art district, Loose Cannon offers a unique experience unlike any in the region. With over 10,000 square feet of available space, Loose Cannon features 20 foot ceilings, towering art-clad walls, chic leather furniture, distinctive lighting, a cutting edge AV system and an additional theater space with a generous performance stage. Perfectly unique, and uniquely perfect for all kinds of happenings... including yours.

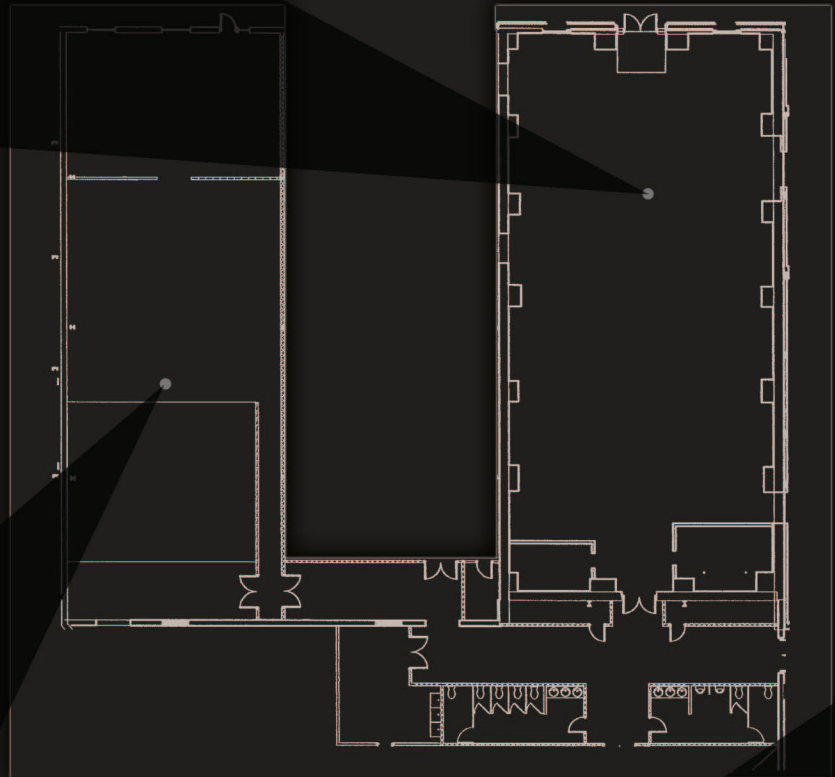

Loose Cannon is also home to Terry Cannon's whimsical folk art—paintings and collages that will capture your imagination with bold colors and daring textures. His prolific artwork accentuates Loose Cannon's festive atmosphere, awing event coordinators, attendees and art enthusiasts alike.
