

# SIGMA PHI EPSILON ALUMNI GOLF CHALLENGE SPONSORSHIP OPPORTUNITIES

The Sigma Phi Epsilon Alumni Golf Challenge is scheduled for **Saturday, July 26, 2008 at Paul Walker Golf Course**. The goal this year is to provide a great golf outing for all Sigma Phi Epsilon Alumni to participate in. It has been some time since the last "official" golf scramble that was held, but many can still recall how that event was a huge success! Because of this, the Alumni Board and the active chapter are very excited and are working hard to make this golf scramble and Summer Picnic a great experience for all involved.

*This event is possible because of the support of fellow Sigma Phi Epsilon Alumni like you!*

**We hope you will consider being a sponsor of this year's Sigma Phi Epsilon Alumni Golf Challenge!**
