

2020 Dream Kitchen Makeover Winner Announced

Wellborn Cabinet, Inc. has announced the winner of their Dream Kitchen Makeover contest. The contest ran from March 23, 2020 to December 26th and the winner receives a kitchen for the retail value of \$25,000.00. Our winner of the Wellborn Cabinet 2020 Dream Kitchen Makeover was Jason Manning of Aurora, Colorado. Jason, much like many of us, entered because he was looking for a glimmer of hope amidst the uncertainty of this past year.

In his own words, "As the pandemic hit, I signed for my first house just outside of Denver, in Aurora. The future of my job, the economy, and life as we knew it all seemed so unsure. So on a whim, I entered this contest thinking I would never win. Shortly after that I began remodeling the entire house...thankfully, the great design team for Wellborn has begun designing amazing ideas that will compliment the work I've already done.

I'm sure it will be nothing short of amazing. To the great team at Wellborn, thank you!"

Wellborn cannot wait to help you create the kitchen of your dreams! Stay tuned for our next Dream Kitchen Makeover contest in 2021, remember you can enter daily by visiting www.wellborn.com through December 31, 2021.
