

WELLBORN CABINET®

Refreshing a Timeless Classic

Over the years, Wellborn Cabinet noticed an upswing in larger style cabinetry in our You-Draw-It program. Wellborn is excited to release our own Larder Cabinets to our Premier Series. 48", 51", 54", 57", 60", 66", 69", and 72" heights are available along with 30", 33", 36" and 42" widths making them customizable to fit any kitchen's needs. Larder cabinets have been around for years and their functionality has always been one of their most popular characteristics. They can be used as a coffee bar or a place to store baking equipment. Having a larder cabinet will help keep a kitchen looking more organized and spacious. Wellborn is also offering an Appliance Pullout option for ease of access for microwaves, coffee makers, mixers, or any other small appliances, freeing up counterspace that would otherwise be filled.
