ABOUT THE SPACE

This gorgeous kitchen is packed with beautiful colors and stunning features that are sure to become a favorite. There are so many components that make this kitchen spectacular and the colors are definitely one of those. This kitchen features 4 new colors: Nightfall, Cast Away, Abyss, and the amazing color pop, Celtic. These contrasting colors and different wood grains come together to create a truly unique and aesthetically pleasing space. These full overlay cabinets in the Morristown door style and new Chelsea door style with it's simple cove and miter construction, add to the modern yet timeless look of this kitchen.

All of these factors would be stunning on their own, especially being made in America, but by adding in the gorgeous new X-Pattern island end and Wainscot Base Panel creates a space you'll love to cook in.

MODERNIZING A CLASSIC

Wellborn Cabinet is launching an extremely exciting product in the form of the truly classic Larder Cabinet. Larder Cabinets are standalone unit that's a cross between a kitchen cupboard and storage space. With several sizes and options, Wellborn's larder cabinet becomes easily customizable to fit any kitchen. Paired with the beautiful green paint Celtic, this larder cabinet is genuinely a gorgeous piece.

Larder Appliance Pullout

ISLAND VIEWS

X-Pattern Island End

An island is such an important piece in any kitchen so finding the right one can be a stressful task. Wellborn is here to make that task easier than ever. With 3 different sizes and 3 different island ends, customizing the island to fit your kitchen is incredibly easy. The island in this kitchen features the gorgeous and on-trend X-Pattern island end. Paired with the sleek new Nightfall stain this island is a crowd pleaser.

This beautiful island serves more than one function in this kitchen. While it adds both beauty and counterspace, it also adds storage. The front and back of the island opens up to allow for storage of dried goods, snacks, or even decorative pieces, creating an island that really does do it all.
