Bodegas Pascual

Our wines philosophy and their “good making” started to build up in the XIVth century inside the ancient underground cellar that belongs to the Pascual family, it is situated in Fuentelcésped town, belonging to Burgos province; our ancestors devoted their effort and determination to extract the vineyards must and change it into the drink of the Gods, traditionally making and by showing us their folklore off all these centuries long.

Bodegas Pascual began its history in 1986 in Fuentelcésped (Burgos), which is a province that belongs to the Appellation of Origin “Ribera del Duero”, where 85% of the wine grapes under this appellation of origin are produced.

WELL CRAFTED

WINE & BEVERAGE CO

GRAPE VARIETY : 100% Verdejo

WINE MAKING PROCESS: This wine is made from flower must. Fermentation takes place at 18° C (64.4° F) through cold stabilization and microfiltering.

CLIMATE: Dry, cold, extreme continental climate, rainfall is 405 l/ m², and average height of vineyards is 680 m. Soil characteristics: sediment accumulation with deposits from the Miocenic Age. Average temperature is 11° C (maximum 35° C, minimum -18° C)

TASTING NOTES: Very bright, straw greenish yellow colour. Clean and lingering on the nose, aromas of white flowers (orange blossom) with hints of stone fruits (apricot and peach skin) and tropical fruits (passion fruit). Tasty, well full-bodied and very round. Good lingering on the mouth.

TEMPERATURE FOR CONSUMPTION: The ideal serving temperature is from 10° C to 12° C.

WELL CRAFTED

WINE & BEVERAGE CO

GRAPE VARIETY: 100% Albariño

WINE MAKING PROCESS: This wine is made by picking the best flower must obtained from ripe “albariño” grapes. Fermentation takes place at 18° C (64.4° F) through cold stabilization and microbiological filtering.

TASTING NOTES: Very bright and clean, straw greenish yellow colour. Lingering aromas on the nose with hints of apricot, pineapple and apple fruits over a bundle of hay and white flowers. Full and creamy on the mouth, its wellbalanced acidity makes it fresh and elegant. Good lingering aftertaste.

TEMPERATURE FOR CONSUMPTION: The ideal serving temperature is from 10° C to 12° C.
