Westfields Hospital HealthStation Clinic Moves to Walmart

NEW RICHMOND, Wis., March 22, 2012—Effective Saturday, March 31, Westfields Hospital HealthStation moves to a new location in the Walmart at 250 Richmond Way in New Richmond. Westfields Hospital HealthStation is a walk-in clinic offering healthcare for select treatments and screenings right where you shop.

“It’s our mission to improve health and provide an exceptional experience at an affordable cost for those in our community,” said Steve Massey, president & CEO of Westfields Hospital. “I’m pleased to report that we will now be open more hours and offer more services in our new location. We’ve also added staff to support the extended hours.”

Both Westfields Hospital HealthStation at Family Fresh Market and “The Clinic at Walmart”, operated by Stillwater Medical Group will be closed Friday, March 30. “The Clinic at Walmart”, operated by Westfields Hospital HealthStation will re-open Saturday, March 31. Clinic hours are Monday through Friday 9 a.m. to 7 p.m.; Saturday 9 a.m. to 5 p.m.; and Sunday 11 a.m. – 5 p.m. The clinic will be closed daily from 1:30 to 2 p.m. for lunch. The last patient is seen 15 minutes prior to closing for lunch and at the end of the day.

“When Stillwater Medical Group joined the HealthPartners family it only made sense to work together to meet the community’s need for convenience care,” said Andrew Dorwart, M.D., president, Stillwater Medical Group. “This demonstrates our further commitment to eliminate unnecessary duplication of services and do our part to keep health care costs affordable. Stillwater Medical Group continues to operate ‘The Clinic at Walmart’ in Oak Park Heights,” added Dorwart.

“The Clinic at Walmart”, operated by Westfields Hospital HealthStation, will offer patients in New Richmond the convenience of having the same medical record information that’s available to other HealthPartners providers and also offer online test results. For more urgent health concerns, care is coordinated with a family physician or the Westfields Hospital Emergency department in town.

Lakeview Health and Westfields Hospital are both members of the HealthPartners family of care. Learn more at Lakeviewhealth.org or westfieldshospital.com.
