From Mike's Desk

In the course of a week in a local congregation, try to imagine all of the acts of kindness and expressions of the love of Christ that occur. It is mind boggling! We often focus on individual responsibility, and there's certainly a biblical place for speaking of every member doing their part. But it's also good to think of the church collectively and in a local sense. So much more is done by the whole; it's wonderful to consider that! This week -

God's name has been honored and praised in worship.

Teachers thoughtfully prepared to teach precious souls.

Prayers have been made for family, friends and strangers.

Comfort has been given to those grieving and hurting.

Food has been prepared to serve and encourage those in need.

Visits have been made.

Meals were shared.

Time and money have been given in loving service.

Cards have been written and sent.

Encouragement has been given that lifted up the discouraged.

Tears have been shed and smiles too with others.

God's word has been read and studied.

Lost souls were talked to about Jesus.

Those who've wandered away were admonished to please come home.

"Senior Saints" were loved and respected.

Those single and single again were valued and considered family.

Families were strengthened.

Plans were made about how to better glorify God and to reach people.

Missionaries were thought about and prayed for.

Guests were made welcome.

People have seen Jesus in us and have been made to praise God.

Thank God! Thank God that the whole is so much greater than any single part. Thank God for the value of "compound interest" spiritually. Read 1 Corinthians 12:12-31 and Ephesians 4:12-16 and think of every member doing their part as well as the collective working of the whole body.
