Let My People Go - Matt Redman

You stand for freedom, freedom
You stand for justice in this world

So many stolen, stolen
Slaves to the shadows of this earth

But these are Your sons and daughters
God
And though the darkness seems so
strong
Your fire of justice breaks the night
We hear You cry

Let my people go, let my people go
Light a fire in the dark
A fire in the dark
Let my people go
Light a fire in the dark
A fire in the dark
Let my people go

So we'll stand for freedom, freedom
We'll stand for justice in this world

All of the stolen, stolen
Never forgotten in Your heart

These are Your sons and daughters
God
And though the darkness seems so
strong
Your fire of justice breaks the night
We're ready to fight

Another stolen life another hidden cry
But these are Your sons and daughters
God
Trafficked in the night broken by the
fight

Rescue Your sons and daughters God
Another stolen life another hidden cry
But these are Your sons and
daughters God
Trafficked in the night broken by the
fight
We hear the cry

No Longer Slaves - Bethel

You unravel me, with a melody
You surround me with a song
Of deliverance, from my enemies
Till all my fears are gone

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

From my mother's womb
You have chosen me
Love has called my name
I've been born again, into a family
Your blood flows through my veins

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

I am surrounded
By the arms of the father
I am surrounded
By songs of deliverance
We've been liberated

From our bondage
We're the sons and the daughters
Let us sing our freedom

You split the sea
So I could walk right through it
My fears were drowned in perfect
love
You rescued me
And I will stand and sing
I am the child of God
You split the sea
So I could walk right through it
You drowned my fears in perfect love
You rescued me
And I will stand and sing

I am the child of God (yes I am)

I am a Child of God
I am a Child of God (yes I am)
I am a Child of God (full of faith yes)
I am a Child of God
I am a Child of God

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

Broken Vessels – Hillsong

All these pieces
Broken and scattered
In mercy gathered
Mended and whole
Empty handed
But not forsaken
I've been set free
I've been set free

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost
But now I'm found
Was blind but now I see

Oh I can see you now
Oh I can see the love in Your eyes
Laying yourself down
Raising up the broken to life

You take our failure
You take our weakness
You set Your treasure
In jars of clay
So take this heart, Lord
I'll be Your vessel
The world to see
Your life in me

Amazing grace
How sweet the sound
That saved a wretch like me

I once was lost
But now I'm found
Was blind but now I see

Oh I can see you now
Oh I can see the love in Your eyes
Laying yourself down
Raising up the broken to life

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost
But now I'm found
Was blind but now I see [2x]

Oh I can see you now
Oh I can see the love in Your eyes
Laying yourself down
Raising up the broken to life

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost
But now I'm found
Was blind but now I see [2x]

Oh I can see you now
Oh I can see the love in Your eyes
Laying yourself down
Raising up the broken to life [3x]
