Safe Harbor Statement
This presentation contains certain forward-looking statements concerning. Reliance should not be placed on forward-looking statements, as actual results may differ materially from those in any forward-looking statements. Any such forward-looking statements are based upon a number of assumptions and estimates that are inherently subject to uncertainties and contingencies, many of which are beyond the control of the Company and are subject to change based on many important factors. Such factors include, but are not limited to (i) the level of investment in new technologies and products; (ii) subscriber renewal rates for the Company's journals; (iii) the financial stability and liquidity of journal subscription agents; (iv) the consolidation of book wholesalers and retail accounts; (v) the market position and financial stability of key online retailers; (vi) the seasonal nature of the Company's educational business and the impact of the used book market; (vii) worldwide economic and political conditions; (viii) the Company's ability to protect its copyrights and other intellectual property worldwide (ix) the ability of the Company to successfully integrate acquired operations and realize expected opportunities; (x) achievement of targeted run rate savings through restructuring actions; (xi) and other factors detailed from time to time in the Company's filings with the Securities and Exchange Commission. The Company undertakes no obligation to update or revise any such forward-looking statements to reflect subsequent events or circumstances.

About Wiley
Wiley is a global research and learning company. Through the Research segment, the Company provides scientific, technical, medical, and scholarly journals, as well as related content and services, for academic, corporate, and government libraries, learned societies, and individual researchers and other professionals. The Publishing segment includes scientific (STM), professional development, and education content, as well as test preparation services and course workflow tools, to libraries, corporations, students, professionals, and researchers. In Solutions, Wiley provides program management and other services for higher education institutions, and learning, development, and assessment services for businesses and professionals.
Why Invest in Wiley

• **Wiley is a key player in large, important, and dynamic global markets** – Research and Education

• **Wiley is fueling the global knowledge economy** through must-have content, platforms and services for researchers, learners, universities, and corporations

• **Wiley is very well-positioned to capitalize on market opportunities**, both in traditional and emerging growth segments

• **Wiley has many long-standing foundational strengths** – Must-have content and leading brands, global footprint, diverse portfolio, vibrant culture, strong cash generation and balance sheet

• **Wiley is an innovative, digital company** (~75% digital) with an illustrious history as one of America's oldest publicly-traded enterprises

• **Wiley core businesses and fundamentals are solid and resilient**, enabling us to plan for intermediate and long term growth opportunities while returning cash to shareholders (25 consecutive years of dividend increases)
Wiley is a dynamic, trusted partner in Research and Education.

We are delivering increasingly powerful, must-have content, platforms and services that help our customers achieve their goals in an ever-changing world.

Wiley will have impact.

Research – Market forces are driving research spending worldwide, increasing research article output, enabling new product and platform opportunities, and creating new business models.

Megatrends
- Global R&D spend at $1.7T, 5% CAGR
- More researchers – 8M, 3-4% CAGR
- More articles – 5M submissions, 5-7% CAGR
- Open science driving innovation

Market Needs
- Researcher drive to publish
- Demand for leading journal placement
- Rise of innovative business models
- Emerging workflow productivity solutions

Research Libraries
- Universities
- Corporations
- Governments

Research Publishing

Sources:
- Exane BNB Paribas Research 2018
- "US academic library spending on journals hasn't declined since World War 2."

**Education** – Market forces have created a widening skills gap that employers, schools, and students are struggling to bridge; This untenable dynamic has created a large opportunity.

**Megatrends**
- Rapid tech change/disruption
- Faster industry/business cycles
- Education cost pressures
- Global competition for students

**Market Needs**
- Better, faster, cheaper education/ROI
- Upskilling, training and credentialing
- Anytime, anywhere education
- Reduced education cost structures

**Supply**
- ~5 million grads/year

**Demand**
- ~7 million open jobs (USA)

1H Performance Summary
Summary

Results in line with expectations; guidance reaffirmed

Organic investments gaining traction across all three segments

Strategic acquisition strengthens leadership in rapidly-growing Education Services market

Company-wide business optimization initiative launched; tens of millions of savings anticipated
# 1H Momentum – Research

## Markets
- Wiley is a leading research publisher and owns the world’s #1 publishing platform
- $10B addressable market growing at 1-2% a year
- Recently ranked at the top in journal impact
- Industry evolving and diversifying into subscriptions, open access, hybrid models

## Strategic Direction
- Growing our publishing portfolio, society network, and article volume
- Accelerating Open Access growth and leadership position
- Developing new revenue streams serving library and corporate markets
- Planning new product and service offerings to enhance researcher experience and impact

## Operational Effectiveness
- Re-engineering publishing processes and infrastructure to improve article cycle time and reduce costs
- Improving client and author satisfaction through new tools and improved efficiencies

## Financials
- Revenue up 1%
- Adjusted CTP down 10%
### 1H Momentum – Publishing

| Markets | • Wiley is a leader in critical, high-demand disciplines - Business & Finance, Science, Technology, Healthcare  
• $15B addressable market - Test Prep and Trade growing, Reference steady, Higher Education in transition  
• High-quality learning content remains in demand – formats, models, and pricing are changing |
|---|---|
| Strategic Direction | • Publishing more and investing in high demand, must-have disciplines  
• Driving digital products (WileyPLUS, Wiley Efficient Learning, ebooks) and affordability initiatives (IA, Rental)  
• Expanding test prep and certification into new high-demand technology skill areas such as cybersecurity, networking, and technology service |
| Operational Effectiveness | • Streamlining publishing workflows to reduce cost, speed cycle times, and enhance content value  
• Enhancing go-to-market capabilities to exploit new marketing opportunities and emerging business models  
• Optimizing pricing and reducing costs to ensure competitive cost base  
• Enhancing skillsets in key positions |
| Financials | • Revenue down 4%  
• Adjusted CTP down 6% |
## 1H Momentum – Solutions

### Markets
- Wiley a leader in the $2B degree program services market (OPM) and the broader $10B market for education services for universities and corporations

### Strategic Direction
- Leveraging unmatched institutional footprint and reputation
- Driving strong enrollment growth in existing programs
- Driving new university partnerships and long term renewals; strong pipeline of partners and programs
- Expanding overall service portfolio through capabilities added from The Learning House
- Driving customer and partner growth in Corporate Learning and Professional Assessment (Q2: 41 new clients for CrossKnowledge and 86 new corporate training partners in Professional Assessment)

### Operational Effectiveness
- Driving margin gains through efficiency improvements
- Making good progress in optimizing university partner portfolio
- Driving efficiency in institutional services operating model

### Financials
- Revenue up 8%
- Adjusted CTP up 47%
1H Momentum – Corporate

• Driving clear strategic focus and alignment across the company
• Building customer-centric team and driving colleague engagement worldwide
• Building world-class, customer-facing technology organization
• Upskilling and reskilling in areas critical to our future success
• Enhancing operating model to drive speed, innovation and agility
• Driving operational excellence, cost savings and productivity through re-engineering
News of note
Wiley acquires The Learning House

Strengthens Wiley leadership in the rapidly-growing $2B+ university program services space (OPM)

$200M in combined revenue. Unmatched portfolio of partners (60+) and programs (800+), partner diversity and range, brand, relationships and institutional reach

Positions us to capture bigger share of the broader education services market

Wiley offerings include: degree and non-degree skill-building programs, credentials, certificates, short courses for students and professionals; enrollment and pathway services for international students; continuing professional education and credentialing; corporate learning solutions; job placement network with 450+ corporate partners

Adds well-managed, dynamic company that strongly complements Wiley Education Services

Strong focus on underpenetrated and economically attractive regional university segment and undergraduate degree opportunities; strong operating capabilities and synergies in marketing, technology, etc.; agile, entrepreneurial culture and innovation capabilities
