

Dear Dr. Curie,

We just wanted to thank you again for saving our little "BG."

There are many competent veterinary doctors out there, but you will always be "Number One" on our list.

You provide your patients with the utmost care and concern that we have never witnessed before. You definitely go above and beyond routine practices and are so committed to providing them with the best care and comfort possible.

You always give us hope by taking extraordinary measures to save our beloved pets and exhibit such personal attention to and affection for them.

We cannot thank you
enough for going "the extra
mile with all that you
did for "B.G." and us.

Thank you again for
your dedication and
devotion to our pets.

Sincerely,

Paul Williams
