

**Take Five and Pray** for our church with us each day:

**YOU'VE CREATED ROOM, NOW IT'S TIME TO INVITE.** It's launch month for the new venue in the Student Center! Let's pray together for our church to believe in the power of the invitation. Let's pray for God to do something beyond what we can imagine and for people to discover the transformative nature and hope in the gospel of Jesus Christ.

**UNLEASH! This conference is for those currently serving in a ministry or those looking for a ministry to begin serving.

**SUMMER INTERNSHIPS AT GRACE CHURCH** Your generous gifts through the Greatest Gift Christmas Offering will host another "class of interns" this summer in our 12-week internship program. God has blessed this ministry as 62 interns have been through the training program and 27 of those are serving in full-time ministry. Be praying for God to prepare the hearts of these young people, and for this summer to be a defining summer for them in their spiritual journey.

**YOUR FIVE!** You've been inviting and we're seeing the fruit! Let's continue to pray for those that have come and those that will come. Pray for God to give you opportunities to intentionally invest in your five to help them take their next steps toward full devotion. Be praying for opportunities to invite to our spring series and Easter events!

# Life Change is an Invitation Away

## MELODY ASHWORTH

Before I started to trust Christ, I was a very negative person. I would look at the world in a way that was toxic to everyone around me. I began going to church in the 8th grade, but I didn't really know what becoming a follower of Christ meant. At first, I resented Christ. I thought that he couldn't exist and it was all just a hoax. I would pretend to be invested in Christ so I would not let down others; however, I realized I had let down myself. I had been going to Kalahari for the past two or three years with the church, but I focused on the fun rather than Christ. On the 7th of January God really spoke to me at Kalahari. I felt his presence, I felt his words touch me in a way I haven't felt before. When the preacher asked people to stand up my legs moved for me. All of a sudden I was standing up in front of all these people declaring myself a follower of Christ. I couldn't stop crying. Gods words ran through my veins that day and have ever since. I want to be more involved in the Word and I want to be more involved in the church. I am committed to Grace Students, my Grace Group, and want to continue serving and going on mission trips. Baptism is a way for me to show that I am with Christ and I am going to live for Him.
