ARRANGER NOTES — I have heard more than one songwriter say that he (or she) would like to have written this song! I think of it as a children's song… for all ages! This simple arrangement is designed to capture the simplicity of the music while including a few musical 'moments of interest'—for example, the moving 8th note accompaniment (bar 13), the L.H. melody after the modulation at bar 22 and a second modulation at bar 31. I could not resist adding a few 'fun' chords throughout as well! NOTE: this would be a perfect fit for occasions when children are involved (for example, dedications, baptisms or even Mother's Day, Father's Day or Children's Day).
