The Business Journal Serving Greater Milwaukee on Friday honored 44 southeast Wisconsin businesses with its Top Milwaukee Workplaces awards at a special event in downtown Milwaukee.

The annual award recognizes area businesses and organizations that create a positive, enjoyable work environment. Nearly 100 companies were nominated this year, with the Business Journal making its final selections after employee surveys were scored and evaluated by its program partner, Quantum Workplace.

"All of these firms understand the importance of a top workplace — satisfied and happy employees will result in satisfied and happy customers," said Business Journal editor Mark Kass.

About 450 company owners, executives, managers and employees attended the event, held at The Pfister Hotel in downtown Milwaukee. Below is a list of this year's winners.
