

TEXT-A-THON: PLACE UR ORDR 2DAY

Choose a Saturday, bring your cell phones and gather for a gab fest. Call or text everyone you know to place their cookie orders.

Here are some tips:

- Bring along all your contacts and order forms.
- Ask everyone you talk to if they know anyone else who wants cookies. Your contacts will grow exponentially! (Remember: Don't give out your contact information to strangers.)
- Make it a party by playing fun background music, ordering pizza or bringing snacks to share.
- Cell phones not an option? See if a school or office will give you permission to use their multiple phone lines for an old-school telethon.

Make up your own text message abbreviations. Can you decipher these?
