ONE TIME START-UP FEES

(returning members never pay start up fees.)

EVALUATION \$55

Optional if homework help only.

CURRICULUM DESIGN \$60

Optional if homework help only.

REGISTRATION \$35

The Mathnasium process begins with a comprehensive, Evaluation, Results Meeting and Custom Curriculum Design. Students are evaluated to reveal their learning style, current level of mathematical knowledge and computational ability. The evaluation is followed by a results and recommendation meeting.

CHOOSE YOUR MEMBERSHIP

Mathnasium provides three monthly membership options for individual students & families. You are free to move from one enrollment to another as the need dictates. An evaluation is the best way for us to recommend the most fitting enrollment option for your student but is not required for students working on homework.
