

## “3 Hypnotherapies Live”

### North Texas Society of Clinical Hypnosis

7920 Beltline Road

Dallas, TX 75240

(12 story bldg. at SW corner of Goliad  
and Beltline behind Walgreens)

**JOIN US: Wed., April 15th, 6:30 pm**

Watch two master hypnotherapists present their individual approaches to working with a patient who lost a tenured executive position just 30 days ago, and is experiencing a great deal of anxiety.

Some depressive effects are noticeable, and the patient has developed phobic reactions to eating in public places. Each therapist will have 45 minutes to assess the problem and implement hypnotherapy. A question and answer period will follow.

#### Your Presenters:

**Dr. Ed Goodman** – co-founder and Past President of the NTSCH, has over 25 years experience with clinical hypnosis.

**Dr. David Hargis** – is the Past President of the New Orleans Society of Clinical Hypnosis and is currently a Departmental Chair at Argosy University, where he teaches hypnotherapy at the doctoral level.
