

Southern Aluminum Finishing Company, Inc. 4356 Caterpillar Road, Redding, California 96001
(530)244-7518 Toll Free (866)660-6627

Dear prospective anodize toll finishing customer:

Thank you for looking to SAF for your custom architectural anodizing finishing needs. SAF has been a leader in the aluminum anodizing industry since 1946 and we have years of knowledge and expertise to provide you with high quality anodized finished products meeting AAMA 611 specifications in a wide range of colors and coating thicknesses. Whether you need finishing for:

- **Aluminum extrusions**
- **Aluminum sheets**
- **Fabricated brake metal shapes**
- **Aluminum rails**
- **Grills, louvers and frames**
- **Small parts**

SAF can provide you with a high level of quality controls and fast turnarounds.

SAF's current anodizing process is an architectural Sulfuric Acid process which is the predominant anodizing process today. SAF is able to provide the following anodic film thickness and finishes for most shapes and sizes up to 28'. SAF is also able to custom match to most customer supplied color samples meeting AAMA 611 specification. For custom matching an approved color sample must be supplied to SAF prior to order entry.

| Anodize Coatings (mils) | | | | |
|-------------------------|--------|--------|----------------|---------------|
| Finish | 0.2+ | 0.3+ | 0.4+(CLASS II) | 0.7+(CLASS I) |
| Clear | SAF201 | SAF202 | SAF204 | SAF215 |
| Light Bronze | N/A | N/A | SAF342 | SAF442 |
| Medium Bronze | N/A | N/A | SAF343 | SAF443 |
| Dark Bronze | N/A | N/A | SAF344 | SAF444 |
| Statuary Bronze | N/A | N/A | SAF345 | SAF445 |
| Black | N/A | N/A | SAF346 | SAF446 |
| Gold (Atlanta GA only) | N/A | N/A | SAF804 | SAF815 |

For pricing and lead times for your anodized projects please review our Job Finishing quote request check list or fill out our request form to make sure SAF has all the information needed to provide you with the most accurate pricing and lead times.
