From sports to swimming to arts and culture, YMCA camps span a broad range of interests. We focus on developing young minds and bodies.

In 2017, the YMCA served over 12,500 campers in communities throughout New York City. We are proud that in the Brooklyn neighborhoods of Greenpoint and Williamsburg, the Greenpoint YMCA will be able to engage your child in a summer of new friendships, skills and exploration.

Thank you for choosing our Y camp. We look forward to getting to know your camper! Turn to the back for more info.
