Revised on 10/11/17

PARENT/CHILD PROGRAMS

Let's Get Ready (Ages 15-24 months)

This social class gives you and your child special time together to nurture his/her social development. Your child will become familiar with the classroom atmosphere and be better prepared to attend independent classes.

EARLY CHILDHOOD PROGRAMS

Beginning Math (2.5-4 years)

A variety of early numeracy, pre-number and pre-school math activities to support your children with math concepts.

Let's Play STEMs (Ages 2-4 years)

Children will use the Imagination Playground, an innovative design in play equipment that encourages creativity, communication, and collaboration.

Little Chefs (Ages 3-5 years)

Healthy and yummy recipes are introduced as children prepare and enjoy different foods while learning about measuring, counting, sharing and more.

Little Scientists (Ages 4-6 years)

This class will provide hands-on exploration of the wonders of science.

Motor and Movement (Ages 3-5 years)

This is a program for kids of all abilities. Our new 8-week gross motor and movement class is open to all children and is specifically designed for those on the autism spectrum or with a general developmental delay.

Pre-School Prep (Ages 2-3 years)

Pre-School Prep gives us the opportunity to set the stage for a child's success in school and life.

EARLY CHILDHOOD PROGRAMS

On Our Way (Ages 2-3 years)

An independent program with an introduction into a classroom setting where your child will experience activities such as exploration time, arts & crafts, circle time, and snack time.

Ready, Set, Read! (Ages 4-6 years)

In this reading readiness class, children are exposed to sight words, alphabet sounds and sounding out words.

Sports Sampler (Ages 2-5 years)

Children will explore three different sports in this 8 week session.

Sunshine Art: Little Artist (Ages 2-5)

Kids will have a great time mixing paints, using crayons while learning basic drawing skills. A variety of projects will be created using different materials and techniques.

Sunshine Gym (Ages 2-5 years)

Through various activities, children are gaining strength using gross/fine motor skills. During circle time, group activities will include songs, rhythms, parachute play, puppets, and bubbles.

Tumbling Time (Ages 3-5 years)

This class is designed to introduce children to basic tumbling, rolling and jumping movements.
