CONTRACT FURNITURE GROUP

EST. 1999

The Contract Furniture Group manufacture, supply and install stock and bespoke furniture, fixtures & fittings, specifically designed for the hospitality, leisure, retail & care sectors.

All of our products meet stringent UK fire regulations for contract use, and the vast majority are made to order. This means our customers are able to mix and match the style, upholstery and polishing of our seating, panelling and soft furnishings options, as well as the colour and texture of our tables & case goods. Our trade-only showroom located in Nottingham displays hundreds of side, carver & lounge chair options, as well as a vast selection of fabric and furnishing options to customise them. Our warehouses hold thousands of lines in stock for speedy delivery via our own logistics networks and couriers.

As well as creating and delivering a wide range of loose and fixed furniture, our specialist design and installation teams enable us to provide a complete end-to-end fit-out service for venues and facilities across Europe. We also boast a specialist curtains and soft furnishing division, dedicated to the specification, production and fitting of all types of curtains, blinds & voiles; tracks & poles; cushions & throws.

DESIGN SERVICES

INTERIOR DESIGN TO BALANCE ASPIRATION, AESTHETICS & PRACTICALITY

Planning a project before commencement always maximises return on investment and minimises the risk of wasted time and/or money. We recommend our clients take time to consider all of their options before placing an order, and we're more than happy to lend our knowledge and expertise at every stage of the process.

Using our experience in the hospitality, leisure, retail and care industries, and using the latest specialist software, we are able to create plans and product elevations that help you visualise how to make the most of your floor space and increase the efficiency of staff as they serve your guests. These plans are also extremely useful during the planning application process.

As well as AUTOCAD plans, our designers can create mood boards and provide samples of the latest on-trend fabrics and materials that will help you create an aesthetically striking theme to compliment your overall offering.

Whatever level of detail you're looking for, be sure to speak to our sales team about how to make the best use of our interior design service.

MANUFACTURE & INSTALLATION CUSTOM MADE FOR YOU

Once our design team has helped create your perfect interior, our production and fit-out teams will bring your vision to life with bespoke units hand crafted to your venue's dimensions and aesthetics. Our UK manufacturing team specialises in precision joinery and metal work to make bars, counters, fixed seating, case goods, cladding and panels that look great and work perfectly as part of your wider operational flow.

COMPLETE PROJECT MANAGEMENT FOR TOTAL PEACE OF MIND

From concept to completion, you'll have a dedicated project manager to offer expertise and impartial advice where needed, as well as managing the process to ensure we deliver on time and on budget to your precise specification. With Contract Furniture Group you can rest easy knowing your rejuvenation, renovation or refurbishment project is in safe hands.

CONTRACT FURNITURE GROUP BESPOKE SERVICES OVERVIEW

- Interior Layout Planning to ensure spaces are used effectively and efficiently to enhance customer and staff experiences as well as maximising profitability. We'll measure up and produce detailed technical drawings so you can see what's possible in the allocated areas
- Interior Design Service to create the venue's desired look and feel within the parameters of its interior layout. This includes every step of the creative process from the presentation of mood boards to confirm concept; to sampling to choose the right materials and colour options; to the selection of the perfect products from our extensive range
- Custom Unit Manufacturing to produce anything and everything you would find in a hospitality, leisure or care facility. From bars to beds, and furniture to fixed seating, we'll make what you need to the specifications you need
- Bespoke Furniture Production to totally tailor the look and feel of your venue. You'll enjoy almost infinite combinations of styles, fabrics, colours, finished and upholstery options to choose from, guaranteeing the right aesthetic and environmental outcomes
- Professional Project Management to guarantee all our services work in harmony to deliver the perfect results

Stock Items

We hold thousands of indoor & outdoor chairs; table bases & tops; as well as frames ready for upholstery in stock in our three Midlands warehouses. These items are available in our most popular fabrics and finishes ready for speedy delivery.

Robust Construction

All of our furniture frames are glued, screwed and dowelled for maximum strength, with all seat boards made from solid timber or webbing to provide optimum durability and comfort. Similarly, our case goods and made-to-measure units are crafted using the latest materials and techniques, then subjected to our own stringent quality control processes.

Yet despite our commitment to supplying furniture that will stand the test of time, we are still dedicated to delivering for the best prices in the UK.

Online Resources

Our website – www.contractfurniture.co.uk – is the best place to see our latest ranges, as well as examples of our most popular fabrics and finishing options. Once you have selected your styles, fabrics and upholstery options, the configurable product price will allow you to build and submit your wishlist or shopping cart to our sales support team. We will then call you to discuss any additional details, as well as payment and delivery options.

Expert Advice

Our specialist sales team will be happy to assist with any questions or queries you may have about our products or your project. With decades of experience, there is not much we haven't seen in the contract furniture and fit-out sectors, and when a unique challenge does arise we're adept at innovating to deliver success – whatever the budget.

Please call our team on 0115 965 9030 to arrange a consultation on the phone, in our offices or at your venue.

Nottingham Showroom

Our UK trade showroom is located just outside Nottingham city centre and is open 10am – 4pm Monday - Friday as well as weekends by appointment only. Here you'll find hundreds of examples of loose furniture, fixed seating and case goods; as well as thousands of fabric and finishing options.

European Export

We export a vast amount of products all over Europe, and are fast becoming a market leader in the supply of contract sofas, lounge furniture and dining chairs. All products are certified to their local authority specifications, all foams are combustion modified (CHMR) and fabrics can be to CRIB 5 contract standard where applicable.

Logistics Network

Delivery of our products is primarily completed by our own logistics team in a fleet of branded trucks and vans. We also use various courier services to speed up despatch of smaller orders.

Sustainability Policy

As an active member of the British Contract Furniture Association, the Contract Furniture Group has an ongoing initiative of continuous improvement in-line with the Furniture Industry Sustainability Programme (FISP). We are committed to reducing our carbon footprint and wider environmental impact through various schemes, including the use of electric vehicles and low energy manufacturing methods.

All of the beech and oak used in our furniture frames comes from sustainable sources. We also offer the option to specify recycled foams, fillings, and fabrics during the specification process so we can work within the parameters of your own environmental policies.

Terms and Conditions

Please ask for our full terms and conditions which are available upon request.

OUR BESPOKE FURNITURE

Tailored to Perfection

The vast majority of our upholstered furniture can be completely customised to enhance the look and feel of your venue. When it comes to bespoke furniture it is as easy as 1,2,3...

- 1 *Choose*
...the model of
your furniture
- 2 *Decide*
...on the material
for upholstery
- 3 *Pick*
...the finish for
the frame

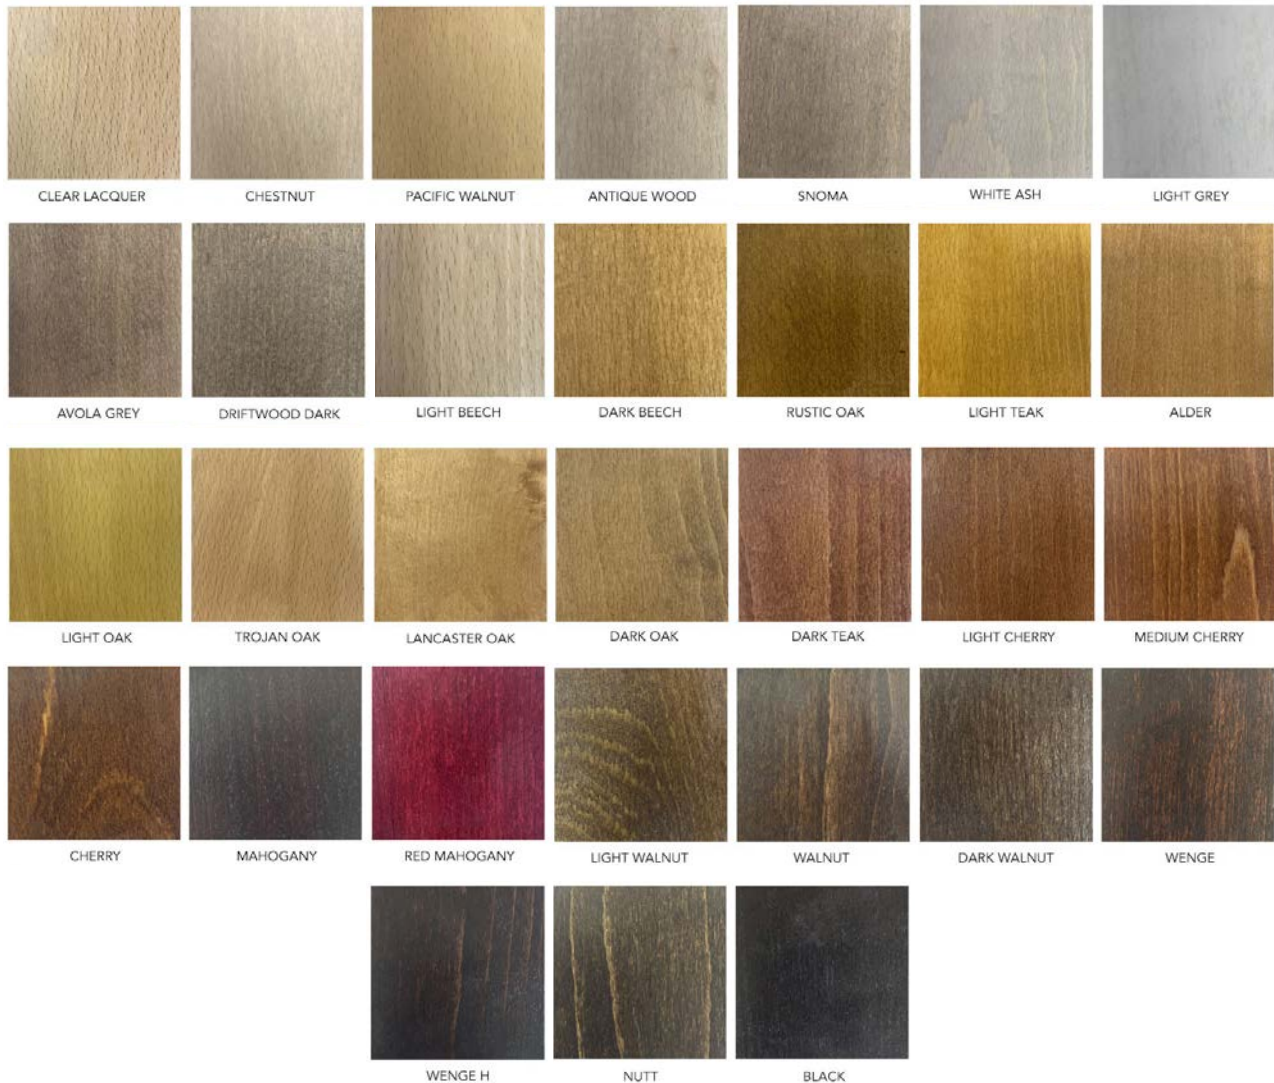

Our In-House Standard Upholstery and Stain Options

We can upholster seating in almost any material you can think of, and have a wide pallet of wood stain colours to choose from. Below you'll find a colour swatch showing the options for the Contract Furniture Group's own Vena faux leather, and opposite you'll find the different polishing options. Samples of all of these are available and can be requested through our website.

...with custom embroidery and printing

A photograph of a modern dining area. In the foreground, a square wooden table with a gold-colored edge is set with two black leather chairs. The table is set with a glass of water, a glass of amber liquid, and a dark napkin. The chairs have black leather upholstery and black legs with gold-colored tips. The table is positioned on a dark wooden floor with a herringbone pattern. In the background, a balcony with a gold-colored railing is visible. Behind the railing, there are ornate architectural details, including arched niches with statues and warm, glowing lights. The overall atmosphere is sophisticated and modern.

DINING CHAIRS

A modern dining room interior featuring square tables, patterned side chairs, and large woven pendant lights. The room has a light wood floor, a blue accent wall with a textured wood panel, and a large window on the left. The text "FULLY UPHOLSTERED SIDE CHAIRS" is overlaid in the center.

Vivid
Carver Chair

A photograph of an outdoor cafe or patio area. The scene is filled with numerous teal-colored metal carver chairs and round tables. The chairs have a distinctive design with curved, ribbed backs and armrests. The tables are simple, round, and light-colored. The setting is on a paved surface, possibly brick or stone tiles. The background is slightly blurred, showing more of the same furniture and some greenery. A semi-transparent dark grey banner is overlaid across the middle of the image, containing the text "METAL CARVER CHAIRS" in white, uppercase letters.

A photograph of outdoor furniture. In the foreground, there are two round, stainless steel tables with four-legged bases. Stacked on top of each other are several plastic chairs. One stack of chairs is red, and another is bright green. In the background, more white plastic chairs are visible. The scene is set on a paved outdoor area, possibly a patio or cafe. The text "STACKING CHAIRS" is overlaid in white capital letters on a semi-transparent dark band across the middle of the image.

The image shows three high chairs with orange upholstered seats and backs, supported by black metal frames. They are positioned in front of a bar with a wooden countertop. The wall behind the bar is decorated with a colorful, geometric mosaic pattern in shades of orange, yellow, and black. A small, lit sign for 'Lincoln Green' is visible on the wall to the left. The floor is made of dark wood planks. The text 'HIGH CHAIRS & STOOLS' is overlaid in white, sans-serif font across the middle of the image.

A photograph of a cafe interior. In the foreground, there are three dark wooden stools with a round top and a curved, bentwood-style frame. To the right, a small, dark wooden table stands on four legs. On the table are some condiment bottles and a napkin. The background features a large window with a view of a brick building outside. The window has a reflection of a person and some text that appears to be 'BELL' and 'BROOD'. A framed picture hangs on the wall to the right of the window.

A modern lounge interior with a curved, semi-upholstered booth in the background. In the foreground, there are two armchairs: one in a vibrant blue and another in a light grey, both with black metal frames. They are positioned around a small, round, black coffee table. To the left of the blue chair is a light-colored wooden stool. The floor is made of wide-plank wood. In the background, a long, curved booth with vertical wooden slats is visible. A sign above a doorway in the background reads "BROOMS". A potted plant sits on the booth. The ceiling has exposed ductwork and a modern light fixture with multiple bulbs. The overall atmosphere is warm and contemporary.

The image shows a large, modern interior space, likely a lounge or waiting area. The most striking feature is the ceiling, which is composed of numerous thin, curved wooden slats that create a wavy, undulating effect. The slats are arranged in a way that they curve upwards and then downwards, creating a sense of movement and depth. The lighting is warm and ambient, with several small, cylindrical pendant lights hanging from the ceiling. The floor is made of large, light-colored tiles that reflect the light. In the foreground, there is a large, curved sofa made of dark, plush material. The sofa is arranged in a way that it follows the curve of the ceiling. There are several yellow and grey cushions on the sofa. In front of the sofa, there is a low, rectangular wooden coffee table. The table is made of light-colored wood and has a simple, modern design. On the table, there is a small vase with yellow flowers. In the background, there are large windows that let in natural light. The overall atmosphere is one of modern elegance and comfort.

TABLES

A photograph of a restaurant interior. The ceiling is high and features exposed wooden beams and decorative metalwork. Several star-shaped light fixtures are hanging from the ceiling. The walls are made of brick and have large arched windows. In the background, there is a bar area with a counter and stools. The foreground shows a table set for dining with glasses, plates, and a vase of flowers.

FLAT®

engineering stability

Stabilise Align Instantly!

FLAT®'s patented technology is unique. It is incorporated into products at the design stage, so manufacturers aren't stuck with a clumsy, bolt-on afterthought. Each of our table bases comes with its own self-stabilising PAD, allowing users to seamlessly align table tops and eliminate wobbly tables.

Self-stabilising table bases

NOROCK provides an unrivaled solution to table instability. Meeting the everyday needs of cafes and restaurants, NOROCK table bases self-stabilise on uneven indoor and alfresco surfaces, while exhibiting an innovative and contemporary design aesthetic.

Up to the Challenge.

NOROCK table bases:

- Self-stabilise on uneven restaurant and cafe surfaces.
- Set up and stabilise in less than 10 seconds.
- Are fully functional after 7 years equivalent simulated use.
- Exhibit an innovative and contemporary design.

STANDARD CASE GOODS

STANDARD CASE GOODS

Contract Furniture Group produce standard and bespoke case goods for the hotel and leisure sectors. All of our units are manufactured to the highest specifications, working closely with our clients to produce great quality furniture to suit your requirements.

Design: Our in-house team will measure and design to a required specification supplying full CAD drawings and giving advice on construction and materials.

Manufacture: We can produce in a variety of finishes including, solid wood, laminate & MFC being amongst the most popular selections to suit all budgets & venues.

Delivery: Using our very own team of experienced furniture handlers we ensure all furniture arrives ready assembled and in perfect order.

Installation: On request we are able to offer our fully trained fitters to install case goods in a designated area. Prices for this service are available on request.

FLOORING

When it comes to flooring, our objective is to provide customers with the perfect balance of design, quality, and value for money.

We specialise in sourcing and installing real wood, laminate, vinyl, cork, ceramic, concrete, stone, wool and synthetic floor coverings. Using the country's best suppliers and our own skilled team, we can deliver and lay flooring that will become the foundation of your venue's aesthetic appeal.

Call our sales team for any more information on all our flooring products.

MATTRESSES

Contract Furniture Group are very proud to introduce our latest range of contract beds and mattresses for the hospitality, educational and healthcare sectors. All our beds are produced to a high standard and manufactured in the UK.

Our experience over the years has resulted in us being able to offer our greatest selection of styles and specification levels ever. We really do believe in putting you, the customer first, every time. High quality contract beds, exceptional levels of customer service and our own fleet of modern vehicles allow us to deliver very cost effective solutions to perfectly match your requirements for contract beds.

As is legally required in today's contract beds market all of our products are manufactured to minimum standard. One service provided is our full "room by room" bed inspection report. This is an honest, un-biased inspection of the condition of all mattresses and bases, resulting in a written report being supplied and any recommendations by us. This is a true cost saving exercise, ensuring that only worn and damaged contract beds are replaced.

Another time and money saving service available (priced on enquiry) is our full "room by room" installation service. This entails positioning contract beds and mattresses into each room and removal of all packaging. This is a relatively cost effective service and lots of our customers have found it to be very useful.

Call our team to arrange a site visit.

Raising the Curtain on Our All New Bespoke Soft Furnishings Department

Due to rising demand, we've decided to use our inhouse expertise and over 30 years' experience to bring the design, manufacture and installation of soft furnishings to the contract market. This includes curtains & voiles, tracks & poles, cushions & throws and blinds.

Your entire project can now be managed by our team at Contract Furniture, meaning we can have complete control over everything from measuring to installation so you can be assured of quality products and services from start to finish.

Our service includes:

A single point of contact for a streamlined process

End-to-end project management

Full design service

All site measurements

UK bespoke manufacturing

Installation of curtains, tracks and poles

With an extensive range of materials from leading fabric houses, we will ensure all products meet UK fire retardancy standards.

Whatever your project, don't hesitate to get in touch and we will work with you to find the best way to complete your project on time and within budget.

A photograph of a modern outdoor terrace at a restaurant. The terrace is paved with reddish-brown composite decking. In the foreground, there are dark grey wicker armchairs with white cushions and a matching coffee table. A large black planter with green plants is on the left. In the background, more seating areas with tables, chairs, and large black umbrellas are visible. A prominent yellow structural beam runs diagonally across the top of the image. The text "OUTDOOR FURNITURE & EQUIPMENT" is overlaid in white, bold, sans-serif font.

werzalit®

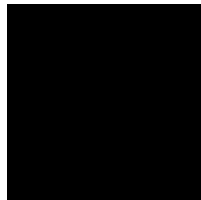

**Attractive design,
impressive craftsmanship.**

Sun, rain, ashes, acid and grease - table tops have to stand up to a lot, especially outdoors. Table tops from WERZALIT shrug off almost everything without a trace. They are practically impervious to mechanical, thermal and chemical influences.

The smooth, closed surface that is homogenously pressed onto the wood material is easy to clean and satisfies the hygiene requirements of the professional catering industry. For tables that can withstand particularly heavy wear, we have added the line of extra-robust dura table tops to our selection.

A modern outdoor lounge furniture set is displayed in a contemporary setting. The set includes two white, armless chairs and a low, white, rectangular coffee table. The chairs have a smooth, curved design. The coffee table has a textured top and simple legs. On the table, there is a glass pitcher, two glasses of lemonade, and an open book. The furniture is placed on a light-colored, polished stone floor. In the background, there is a modern building with large glass windows and a concrete wall. A paved path leads through a landscaped area with green grass and trees. The sky is clear and blue.

A photograph of an outdoor patio area. In the foreground, a white banner with the 'CONTRACT FURNITURE GROUP' logo is held up by two silver stanchions. The patio features a dark grey metal pergola structure with a flat roof. Underneath the pergola, there are several tables and black wicker chairs. A large green plant is visible behind the tables. String lights are strung across the top of the patio area. The background shows a wooden fence and a brick wall.

TEMPUS

OUTDOOR SOLUTIONS

Making the most of your outdoor areas with Tempus solutions

The Manhattan Pergola creates outdoor spaces that are dry when it's raining, and bright when the sun shines. The simple to use louvered roof system allows staff to quickly convert your storm shelter into a sun trap.

- Water runs through the louvers to channels in the cross beams, and dissipates through the pergola's feet.
- Pole twist mechanism effortlessly opens and closes roof louvers to keep out rain and let in sunshine as the weather changes.
- All units come with a full fitting guide, or our installation team will deliver and fit the unit in a single day.
- Multiple units can be joined with waterproof strips to create larger undercover areas
- Retractable and adjustable screens can be fitted to up to three sides.
