

OUTDOOR LIVING – Traditional & Contemporary Furniture for 2017

BARLOW TYRIE

Makers of exceptional outdoor garden furniture since 1920.

Ranges in teak, stainless steel, aluminium, and woven.

Recipient of eighteen international design excellence awards.

At Barlow Tyrie, we use only the finest materials, that's 'Grade A' plantation-grown teak, 316 marine grade stainless steel, and the best UV-resistant cushion fabrics. That, together with superb craftsmanship in manufacture and our determination to be the best, have kept us in business for over 95 years.

THE MONTEREY RANGE

Monterey deep seating settee with coffee and side tables (1MTD3.+ , 1MTL15.+ and 1MTS05.+)

The Monterey is Barlow Tyrie's interpretation of mid-century modern design. We use solid teak for the frames and braided all-weather cord for the seats, plus durable Italian ceramic for the table tops. The table tops are available in two ceramic colours; with matching cord (chalk or brown), that is woven from Olefin and Textilene®, making it rugged with a soft feel.

Echoing the style of our award-winning armchair, we are now introducing a generous deep seating armchair and ottoman, a deep seating three-seater settee (optional cushions are available), plus an ottoman, coffee table, and side table – all available to order in 2017.

THE BERMUDA RANGE

Bermuda dining set (1BE and 2BEC09)

With its soft curves and clean simple lines, the Bermuda combines the best of our teak tradition with the latest in styling and comfort – ideal for a modern open-air lifestyle.

To complement our existing high-dining set, we are now introducing a standard height circular pedestal table and dining chair.

The chairs have smoothly curving sides, contoured backs, and seats that offer comfort without the need for cushions. The table features a 38mm parasol hole.

THE EQUINOX RANGE

Equinox extending asymmetric table (2EQX21-+)

The contemporary Equinox range in stainless steel is a perfect addition to any modern outdoor living space.

New to the range for 2017 is this extending dining table, which extends from 150cm to 210cm. It is available in a choice of four ceramic table top colours.

The table features adjustable leg glides for greater stability on uneven surfaces.

THE LINEAR RANGE

Linear extending dining table (2LIX23)

As the name suggests, Linear is a design based on strong lines – simple yet beautiful. For 2017, we are adding an extending table to the range. When closed, the table measures 155cm long, and extends to 232cm.

As with all of our Linear furniture, this table will be of solid traditional teak construction, with stylish mitred detailing on the corner joints.

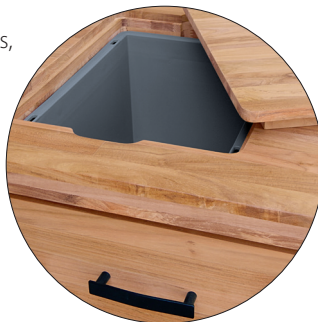

THE TITAN RANGE

Titan serving table (2TIS.08)

This latest addition to our Titan range offers a robust and handsome way to store and serve your al fresco food and drink.

Crammed with useful features, including a wine cooler, the Titan serving table makes outdoor entertaining a breeze. It has Titan rustic teak to all sides, and a strong aluminium frame in black.

OUTDOOR LIVING – Traditional & Contemporary Furniture for 2017

BARLOW TYRIE

Makers of exceptional outdoor garden furniture since 1920. Ranges in teak, stainless steel, aluminium, and woven. Recipient of eighteen international design excellence awards.

At Barlow Tyrie, we use only the finest materials, that's 'Grade A' plantation-grown teak, 316 marine grade stainless steel, and the best UV-resistant cushion fabrics. That, together with superb craftsmanship in manufacture and our determination to be the best, have kept us in business for over 95 years.

THE AURA RANGE

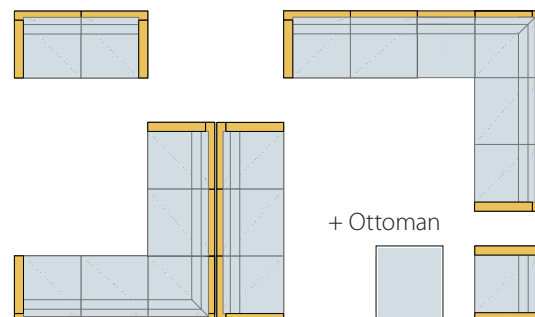

Aura deep seating modular system (1AUDMA.+.+, 1AUDMO.+, 1AUDM2.+.+, 1AUDM2C.+.+, 1AUDM3.+.+, and 1AUDM3C.+.+)

Our new modular deep seating system design reflects a mid-1950s influence, with its geometric shape and combination of stylish yet practical materials. Aura is a modern, lightweight, elegant collection that combines powder-coated aluminium frames, teak table tops with aluminium inlay, and stackable loungers and armchairs accented with teak armrests.

Aura deep seating is designed to be configured to suit any size and shape of outdoor area, with the larger space in mind. The frame and base are powder-coated aluminium, and the straight-sided back and arms are of stretched lightly-padded Textilene®.

There is wide teak capping to the back and sides which contains the geometric shape of the seating configuration. The look is completed with plain square-sided cushions. Corner sets, two- and three-seater chaise longue (with one end armless) are available.

Seat bases are available as single, double, or treble units which, when combined with a combination of short and long side/back modules and cushions, will give multiple seating options.

Aura serving table (2AUS.+)

We are adding a 120cm serving table to the range, which will feature Aura's distinctive teak table top and aluminium inlay. You can mix and match the Aura and the Cayman ranges for greater flexibility.

Aura extending dining table (2AUX23.+)

Also new for 2017 is this extending dining table. Shown here in the white frame option, this table extends from 150cm to 228cm. It features a parasol hole, ideal for the Napoli Parasol 3.5m x 2.5m (=4NA35R).

Both tables are available in a choice of frame colour: .01 Graphite, .02 Arctic White, or .04 Champagne.
